Part B for Aug. 1932

SUBJECT

Shifting of the Rifle Range from Hebbal to Ulsoor.

---

2)

F P File No.

The Military authorities to be:
~~It~~ 449·46 acres. We need not now
ascertain its area apart from the Survey
Supt: It is enough if we get details
about Survey nos included in the range
with the boundaries for each no.
So far as the Abaker Range is concerned
the Survey Supt. will be asked to give
details of both Survey nos + extents
Each no. together with their boundaries.
There is no need to ~~consult~~ with the Mil.
Authorities to furnish these details
Draft to Survey Supt on the above
lines is put up for approval.

Ray
10/2/31

Chief Secy)

In regard to the Abaker
Lands, the declaration Statement
gives all the required particulars about
private lands. It is sufficient
if this Statement is verified and
a Statement of Govt waste lands
alone is furnished

Ray
11/2

Ray
11/2

Noted
The Statement of ~~un~~occupied +
waste lands were verified.
The area of occupied land comes
to 250 acres 32 guntas + That

savings that have been effected
out of the Sanctioned grant.
~~Both the~~ (The Architect ~~& Engr~~ may be
consulted in the matter.

by
17/6/31

The Plan in the original file does not show these
2 200. It is not clear why
these 2 200 shd be added. It
means that we will be giving
the Mid. Class Man ~~the~~ 17 quarters
more. The question arises as
to whether we shd proportionately
reduce the amount to be paid
to them in lieu of the difference
in extent between the Herbal &
Globe & Laurel areas. The cost of
acquisition can however be met
from the savings in the grant
already made as proposed by the
D.C. & no reference to the Fin.
Secy appears necessary.

Chief Secy

Draft a comm. to the D.C.
enquiring where the portions
to be acquired are with reference
to the Plan.

BANGALORE

Date 25th August 1931

File No. 19

U.O. No. 66407
Encl: one file

Serial No.

Returned to the Chief Secretary to Govt. with compliments.

(b1) A sketch is herewith enclosed showing the existing electric power line, which the Military authorities consider to be in danger during their shooting manoeuvres. We have a transformer centre at the place marked (29) feeding a Flour Mill and irrigation pump at (12) and also feeding certain houses in Agaram village. We can dismantle the present power line from the point "P" marked in the sketch where it now deviates to Agaram and run the line as shown in red dotted lines P.M.A. or take power from another centre marked 42. as shown by yellow line B.A. By doing so we will be in a position to give power to the proposed Military Buildings near Iblur Village. The Military Authorities also intend putting up a pump at (29) for which they require electric power. But after the above deviation in the lines are carried out, we can supply power only if the Military Authorities run an underground 3 phase cable from the Government pole to their pumping shed

(b2) If the line has to be deviated as detailed above, orders of Government may also be communicated as to the source of meeting this expenditure,

Serial No. 110

To the Secy to the Resident
No POL 434 d 8 10 31

In reply to their letter d 1.8.31 in the matter of inserting a clause in the agreement that the Military authorities will not be held responsible for damage done to the Electric power line [illegible] a plan re the proposed deviation of the line to take it out of the danger area & regret if the Military authorities are agreeable to the proposed deviation

Military authorities

(82) Th. have objected to the inclusion of the clause 7 in the agreement as it is a condition which is outside the terms under which the Hebbal lands are held and point out that clause 3 states that the land at Hebbal is to be held by the Military on condition & those pertaining to the Hebbal Rifle Range They accordingly state that clause 7 will not be agreeable to the Higher Military Authorities

(83) The Military authorities also object to clause 8 relating to the right

(Vide reverse of page 25 for more notes re diversion of power line)

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31.

Of the first part returned, the inscription was over the portion of the [illegible] of Hon'ble which may be not be required by the second part (Military) for ammunitions of warfare. Their Objection is based on the ground that no such condition as Condition of transfer of Hebbal lands contained in the

The Residency in their subsequent Communication have forwarded a detailed letter from the Military authorities giving a brief history of the Hebbal Rifle Range and mention the conditions under which these Hebbal lands were held and request that if there is no Objection, these conditions may be incorporated in the revised agreement for approval of the Military authorities,

(a) The statement of conditions on which the Hebbal lands held is put up

(b) In connection with the other points raised (viz about the conditions of the agreement) Kindly reference is invited to the note of the Chief Engineer Madras Area which shows the Nature of the rights of the Military over the lands

P. W & H

only the "germaine portion" of the Conditions

Q.R.

(Leaves the Old Papers of the P. W D)

Serial No.

5

in Hebbal. Kind reference is especially invited to the letter dy 10.5.1926 from the Residency acknowledging that the Military have only a restricted right over certain lands in the Ranges which were not acquired by them. It may also be noted that the Military authorities have only paid a sum of Rs 12,176 for acquiring portion of the lands at Hebbal required for danger zone in 1893 whereas the Mysore Govt have acquired (in private holding) some of the lands at Yelahanka at a cost of nearly 60,000 Rupees and it is therefore essential that the lands should revert to them when they are no longer used as Rifle Ranges Accordingly clause 7 was added in the agreement This is the first point for orders.

(Flag R in the Printed collection)

(The Comparison seems not quite applicable as we have by implication treated the whole Hebbal area as belonging to the Mily & merely given in exchange an equal extent of land in whatever way we may have acquired the latter)

(87) As regards clause 8 by the retaining of a 'beneficial user' by Mys Govt over some portions of the lands This is not a new condition but has been recognised by the Residency as referred to above This is the second point for orders.

(88) The third point is about the insertion of the annexure to the agreement indicating the conditions under

NOTE—Contn. Sheet.

under which the Hebbal lands were
made over to the Military authorities
Clause 3 is This clause is common
to the Conditions of the agreement prepared by the
Military Dept & that sent
out (as suggested by Govt Advocate
An annexure reciting the
conditions required by the Military
authorities is put up. These
conditions are found in the Printed
statement of Objections (Flag C). The conditions
of the agreement as originally prepared
by the Military authorities and
those sent by Govt for approval
are put up for reference &
Orders

This annexure does not appear to be necessary in view of the later Secy. letter requesting that only the "Germaine portion" of the conditions may be embodied in the new Agreement
C/A

(9) The fourth point about which
a reference has been received relates
to the insertion of a clause in
the Agreement to the effect that the Military
are not responsible for the damages
that may be done to the Power line
near the danger area. The
Military Authorities have been
requested to state if diversion
of the power line, as suggested by
the Chief Electrical Engr is suitable
their reply is awaited.

(Separately dealt with)

Orders are required on the first three

Serial No.

F

points referred to

(90) As already stated in Letter No P.Ñ 875 d. 6.3.31 addressed to the Residency, forwarding the draft agreement, clauses 7, 8 & 9 are only amplifications of clause 3. Submitted for orders.

by

30/4/31 (91) May be submitted through H. Supdt Sukkur

(The papers re-to the Sukkur power line have been separated & submitted vide Diary Sheet dy 5/4/31 (Order passed Separately)

Please see (page 33) next page for the notes re Sukkur power line & pp 35 and following for the notes re the original agreement)

N

(33)(101) The main point for settlement is the interpretation of the following clause which was agreed to by both parties at the time of the preliminary negotiations:-

> "The new area at Ibalur will be held by the Military authorities on similar conditions to the area now held at Hebbal."

Encl. to letter d. 6.3.31 to Residency
H. E.

In the formal agreement subsequently drawn up by us, the above condition has been amplified by the addition of two more clauses - 7 & 8 to give definiteness to the stipulation. Clause 7 stipulates that as the land has been delivered for use as a Rifle Range it shall revert to the Mysore Government if it ceases to be used as such and clause 8 recognises that the Mysore Government have the right of beneficial user over such portion of the land conveyed at Ibalur as may not be required by the Military for continuous operations.

P W D I & II

(107) The British Military authorities contend that these two clauses are not merely of an amplifying nature, but introduce new conditions not in force in the case of Hebbal. The whole question hinges on at are to be considered to be the rights which the Military now have in respect of Hebbal lands. These rights have not been clearly defined and their extent varies in respect of different portions of the Hebbal Range area, according to the circumstances under which each bit was transferred the Military authorities from time to time and the use to which the land is actually put (i.e., as the

water supply contour channels within the boundary to be conserved and maintained by the Mysore Public Works Department;

(iii) The watchman's shed and young tope adjoining it will at present be under the control of the Mysore Public Works Department.

(iv) The Rifle Ranges are not included within the Civil and Military Station boundaries but the ground within the boundaries will be handed over to the Military Authorities as a Rifle Range. (Public Works Secretary's No. 3436 dated 20th November 1883).

Reference is also invited to the ~~Heard~~ theoretical exposition of the restricted rights in such cases given in Residency letter d. 11-9-05 to the Brigade Major
JC JC

(101) There is thus a want of uniformity in the nature and extent of the rights now exercised at Hebbal, and the Military people object to the clauses 7 & 8 proposed by us in regard to (i) reversion of the whole land to Mysore in case it ceases to be used as a Range and (ii) the right of beneficial user claimed by us and they suggest that only the "germaine portion" of the conditions referred to above, which are the basis of transfer of Hebbal lands to them, might be embodied in the present agreement.

(105) If clauses 7 & 8 are to remain, the Military people may perhaps claim some compensation at any time; the lands revert to Mysore, and a more detailed statement indicating the extent of the right of "beneficial user" in respect of the different portions of the area may also have to be drawn up.

(106) One of the terms of the agreement arrived at between the two Governments is that the new area at Ibalur will be held by the Military authorities on conditions similar to those which are applicable to the area now held at Hebbal. The draft agreement has been signed by the representatives of both the Governments.

Z

(107) Subsequently the Residency informed this Government that the Government of India had sanctioned the handing over of the Hebbal Rifle Range subject to certain conditions and wanted the draft of an agreement embodying the conditions to be prepared and forwarded. The Government

Y

Advocate who was consulted in the matter prepared the draft of an agreement and the same was forwarded to the

E

Residency with a covering letter. Clause (3) of the

N

draft agreement (copies by H for Advocate) says that the land at Ibalur will be held by the Military authorities on similar conditions and terms as the area now held at Hebbal. This is one of the conditions which has been accepted by both the parties (Flag N) vide clause (6). In order to give some definiteness to this stipulation it was proposed in the draft agreement prepared by the Government Advocate to insert clauses 7, 8 and 9. Clause 7 stipulates that as the land has been delivered for use as a Rifle Range it should revert to the Mysore Government if it ceases to be used as such. Clause 8 recognises the right of beneficial user over such portion of the land conveyed at Ibalur as may not be required by the Military authorities for continuous operations. The Military authorities are not agreeable to the insertion of clauses 7 and 8 on the ground that the conditions mentioned in them are outside

Incl to P.U.D. I

NOTE—Contn. Sheet.

Serial No.

Danger Zone was actually acquired by the Government of India by purchase.

(109) One of the conditions mentioned in para 105 is that the ground will be handed over to the Military authorities as a Rifle Range. It is only in respect of the 148 acres and 20 guntas transferred in 1891 that the Government of India have paid price. This is the extent that was acquired by them for the Danger Zone. The interpretation to be given to the 4th condition viz., that the ground will be handed over to the Military authorities as a Rifle Range seems to be that when it is no longer used as such it should revert to the Mysore Government. This is the interpretation given by the Chief Secretary in his letter dated 12th July 1919 to the First Assistant to the Residen

X He has stated in it that "one of the main conditions in the agreement of the transfer of the land made over to the Military authorities in 1883 - a condition which applied to the subsequent extensions up to a limit of 303 acres, 30¼ guntas was that the Rifle Ranges are not included within the Civil & Military Station boundaries but the ground will be handed over to the Military authorities for use as a Rifle Range". One of the conditions which this Government thought of imposing when the Military authorities had selected another land in exchange

M for the Hebbal land was that "the whole land occupying the new Rifle Range and Danger Zone will revert to His Highness' Government whenever the Military authorities did not require it as such". Hence the Government of India have to concede the reversionary right of the Mysore Government in respect of the 303 acres 30 guntas, 148

Will compare B

NOTE—Contn. Sheet.

Serial No.

The note referred to above relates to the exchange of another land for the Hebbal land which proposal has however been subsequently dropped in favour of the Ibalur land. But still it is helpful to show that the Government of India do notpossess full proprietary rights over the entire Hebbal land for in case they had such rights over the entire land they would not have agreed to have those rights in respect of 108 acres only in respect of the lands to be taken in exchange. Hence it appears that this Government have the right of beneficial user over the Danger zone that is 148 acres and 20 guntas transferred in 1891. But as regards 136 acres and 20 guntas granted in the beginning and the 18 acres and 30 guntas transferred in 1892 the records do not clearly show that the right of beneficial user vests with the Mysore Government.

(a) The area of the Hebbal land is about 450 acres. The extent referred to above is about 304 acres. The remaining area, that is 146 acres, is the plantation belonging to the Mysore Government and over which only firing rights have been given to the Military authorities. This is quite clear from Flag K in which it is stated that the plantation should remain under the control of the Mysore Public Works Department and that the Military authorities had not asked for more rights over the plantation than are expressed by the right to fire over it. In his letter dated 10th May 1906 the First Assistant to the Resident has stated that the plantation was never acquired by the Military Department, that the Mysore Government did not part with their freehold right or their right of user, that the Military authorities were only accorded the right to fire over

question have been suggested by way of simplifying the terms of the informal agreement viz that the new area is to be held on conditions similar to those on which the Hebbal Range is held. The whole of Hebbal area was given for use as a Rifle Range — a term which implies that any the use of the lands or their alienation would not be in order. This applies equally to lands furnished free and those for which some payment was made to compensate private rights. Refer to correspondence of 1906.

No. 5338

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31

Submitted to His Highness.

L In continuation of Mr. M.N. Krishna Rao's Submission Note dated the 6th September 1930, on the subject of the Draft Agreement regarding the shifting of the Rifle Range from Hebbal to Ibalur, I beg to state that a draft agreement in legal form on the lines tentatively agreed upon between this Government and the Military authorities was E drawn up and forwarded to the Residency for obtaining the sanction of N the Government of India. One of the terms agreed to in the course of the preliminary negotiations was that the new area at Ibalur will be held on similar conditions to the area now held at Hebbal. In order to give some definiteness to this stipulation, this was amplified in the formal agreement by the addition of two clauses as under:- Enclosure 'E'.

"7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges."

"8. The Second Party has agreed that the First Party retains the right of beneficial user over such portion of the land conveyed at Ibalur as may not be required by the Second Party for continuous operations, provided that their use for Rifle Ranges and Camp Site is not thereby affected."

With reference to the above, the Residency have forwarded co- A + B pies or letters from the Military authorities objecting to clauses 7 and 8 of the agreement as going beyond the terms of the preliminary agreement.

The lands at Hebbal were given to the Military authorities <u>for use as a Rifle Range</u>, and it follows by implication that any other use of the lands or their alienation would not be in order and they would revert to this Government, if they should cease to be used for that purpose, at any time. Clause 7 of the agreement is intended to make this point specifically clear with reference to the lands comprised in the new area at Ibalur. The Military authorities may probably demand (and this I gather is probably their intention) that in the event of the lands reverting to the Durbar, the sum of

J

Rs.12,176-2-3 paid by the Government of India in 1893 for acquiring a portion of the danger zone of the Hebbal Ranges, might be refunded to them. This may be agreed to and a provision to that effect added at the end of Clause 7.

As regards Clause 8, it is seen from an examination of the previous files on the subject that in the total area of about 450 acres covered by the Hebbal Range, forest plantations etc., S+K. are included over which this Government are exercising beneficial rights of user. According to the terms of the preliminary understanding this Government would be entitled to similar rights in respect of the Ibalur lands also and this is what Clause 8 seeks to provide. But Colonel Fenton who saw me recently gave me to understand that the lay-out of the new Range at Ibalur, which is almost equivalent in area to that of the Hebbal range, will be such as to leave very little area out of the Range, available for plantation grazing or other use, without interfering with the legitimate requirements of the Military. If this be the case, we need not insist on Col.8 being inserted in the agreement.

T

The Military authorities also desire that they should not be held responsible for any damage that may be caused to the electric power line in the vicinity of the new Range by legitimate use of the Rifle Range. They have, however, explained that the 'W' contingency of such damage is a very remote one and they have brought the matter to the notice of the Durbar merely to avoid any future complication. We may accede to the wishes of the Military authorities in regard to this small matter, but it is not necessary to incorporate this in the formal agreement unless they insist that it should be done.

Draft for approval

The draft of a reply to the Residency on the above lines

is submitted herewith for His Highness's gracious approval.

(50

VASANTHA MAHAL,
MYSORE, 19th JANUARY 1932.

C.B 1892.

My dear Mirza,

In returning herewith your file No.207 of the 12th instant regarding the exchange of rifle ranges, may I suggest that an appropriate time has now come for putting on record an accurate and agreed history of the transactions from first to last?

C. Secy. 22/1

The Military Headquarters letter No.12508/97/Q. dated 19th August 1931, is based on a compilation of 1902 which has been shown in a long correspondence which ended with the Resident's letter No.86G, dated 10th May 1906, to contain statements about the rights over the Hebbal Range that are totally erroneous.

C.B Register & put up new 25/1/32

Acting on this the Military authorities renew the claim that "the Government of India actually acquired by purchase" the whole of the danger zone.

They therefore object to the proposed clauses 7 and 8 of the agreement on the ground that reversion of the land when it ceases to be used as a range is "outside the terms on which we hold Hebbal" and that no condition regarding beneficial user when the land was not required for continuous operations was contained in the Hebbal agreement.

Their idea that they have full rights over the whole of the Hebbal range and are to have full rights over Ibalur is confirmed by other indications, as for instance, the fact that you are paying for the difference in area and the statement that the Rs1,50,000 is "in compensation for the Hebbal range".

You now propose to agree to repay them the amount paid in compensation for a portion of the Hebbal danger zone if and when the Ibalur range ceases to be used.

I am not suggesting that you should not pay them any sum which you think it worth while to pay to secure the exchange, but I do venture to suggest, in view of the trouble that has arisen out of the claim in the past, and of the fact that they are evidently labouring under the same misconception which gave rise to all the correspondence from 1904 to 1906, that it would be wise, in order to prevent further confusion hereafter to have a correct precis with maps prepared in supersession of the old inaccurate collections, and to ask the Military Department to send some Officer who would be convinced as to its correctness and accept it on their behalf.

Yours sincerely,

1892

THIS MEMORANDUM OF AGREEMENT made the ..... day of ..... One Thousand Nine Hindred and Thirty One Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party) of the one part and the Commander, Madras District, for the Gogernment of India acting for and on behalf of the Secretary of State for India in Council (hereinafter called the Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS :-

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at the said village of Ibalur an area of land measuring by admeasurement approximately 434 431.68 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the (same) to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal Rifle Ranges measuring by -- admeasurement approximately 449.46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the

other

other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs.1,50,000/- (One Lakh and Fifty Thousand) only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs.1,778/- (One Thousand Seven Hundred and Seventy Eight only) for 17.78 acres being the difference between the areas of the lands at Hebbal and Ibalur at the rate of Rs.100/- per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store, water in the Bellandar Rank, situate in Bangalore Taluk, Bangalore District, and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and arect on it at its own cost the water-supply plant, latrines, cook houses etc., whatsoever required by it on the Camp Site

in

in replacement of the Ranges and buildings, latrines, cook houses etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges.

8. The Second Party has agreed that the First Party retains the right of beneficial user over such portion of the land conveyed at Ibalur as may not be required by the Second Party for continuous operations, provided that their use for Rifle Ranges and Camp Site is not thereby affected.

9. The Second Party has agreed that jurisdiction over the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

Dear Mr Srinivasa Iyengar

With refce to correspondence ende with your Letter No 71 d 6.12.1930 forwarding a map of the present rifle range at Hebbal ~~[illegible]~~ I am desired to inform that a detailed list of S.Nos included in the range has to be prepared in connection with the agreement to be drawn up for the proposed exchange of these lands in lieu of the lands at Ibalur

I am therefore to request

[over

Urgent.

3314/PP

17th February 31.

Dear Mr. Srinivasa Iyengar,

With reference to correspondence ending with your letter No. 71 dated 6th December 1930, forwarding a map of the present rifle range at Hebbal, I am desired to inform you that a detailed list of survey numbers included in the range has to be prepared in connection with the 'agreement' to be drawn up for the proposed retransfer of these lands in lieu of the lands at Ibalur.

I am therefore to request you to kindly furnish a statement of the survey numbers included in the Hebbal Rifle Range, with the boundaries thereof. A similar statement may kindly be sent in respect of the lands included in the Ibalur Range together with the area of each survey number or portion thereof, included therein with the boundaries for each survey number or portion. Two plans showing the lands included in the two Ranges in question coloured distinctly and with the boundaries of the survey numbers marked on them, may also be sent with the statements. The plans of the two ranges are sent herewith for reference and kind return.

The matter may be kindly treated as very urgent.

Yours sincerely,

(Sd) R. A. Narasimha Iyengar

for Chief Secy

Subject. -

Shifting of the Hebbal Rifle Range to another site near Ibalur.

S i r,

As requested in your letter No.7617/7 of 1916 dated 29th Septr. 1930, on the above subject, I am desired to enclose herewith a draft agfeement, in legal form embodying th conditions on which the Rifle Range is to b shifted to the new site and to state as follows:--

The actual area wanted by the Military Authorities for the new Range comes to 434 acres and this figure has been adopted in clause 2 of the draft agreement. Clause recites that the lands at Ibalur shall be h on similar conditions and terms to the area now held at Hebbal. In order to give some definiteness to this stipulation, it is pre posed to amplify it by the insertion of clauses 7, 8, 9.

The schedules to the agreement which are under preparation will be forwarded in due course.

In this connection I am to pointout that an extent of 22 acres out of the Heal

area is already held by this Govt. on lease, in exchange for 15 acres 15 guntas in the Hadagod village leased to the Military Authorities for dairy farming (Vide Mr. Warburton's letter No.2718 dated 22nd April 1914). As credit is taken by the Military Authorities for the aforesaid 22 acres in connection with the shifting of the Rifle Range, it is presumed that an independent understanding will be arrived at as regards the retention of the Hadagod lands by the Dairy ~~Farm~~ Farm authorities.

I have, etc.,

Chief Secretary.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Letter No Pol 875 Efforce

No. R.7

Dated, Bangalore..... 193

PP 90-7-67

FROM

N. MADHAVA RAO, ESQ., B.A., B.L.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore.

To

MAJOR G. LOCH., I.A.,
Secretary to the Hon'ble the Resident in Mysore.

SIR,

Subject:- Shifting of the Hebbal Rifle Range to another site near Ibalur.

As requested in your letter No. 2617/70A. of 1916 dated 29th September 1930, on the above subject I am desired to enclose herewith a draft agreement, in legal dying the condition on which the Rifle Range is to be shif to the new site and to state as follows:-

The actual area wanted by the Military Authorities for the ng Ran e comes to 434 acres and this figure has been adopted in clau. 2 o the draft agreement.

ause 3 recites that the lands at Ibalur shall be held on si r conditions and terms to thearea now held at Hebbal. In or to give some definiteness to this stipulation, it is proposed to plify it by the insertion of clauses 7, 8, 9.

he schedules to the agreement which are under preparation will be rwarded in due course.

In this connection, I am to point out that an extent of 22 acres out of the Hebbal area is already held by this Government on lease in exchange for 15 acres 15 guntas in the Hadagod village leased to the Military Authorities for dairy ming (Vide Mr. Warburton's

letter No. 2718 dated 22nd April 1914). As credit is taken b the Military Authorities for the aforesaid 22 acres in connecti with the shifting of the Rifle Range, it is presumed that an im pendent understanding will be arrived at as regards the retention of the Hadagod lands by the Dairy Farm authorities.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Secretary to Government.

Encl to No 7

THIS MEMORANDUM OF AGREEMENT made the ..... day of .....One Thousand Nine Hundred and Thirty One Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party) and of the one part and the Commander Madras District, for the Government of India acting for and on behalf of the Secretary of State for India in Council (hereinafter called the Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS :-

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of land measuring by admeasurement approximately 434 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal Rifle Ranges measuring by admeasurement approximately 449.46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs.1,50,000/- (One Lakh and Fifty Thousand) only for enabling the Second Party to provide

on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs.1,546/- (One Thousand Five Hundred and Forty Six only) for 15.46 acres being the difference between the areas of the lands at Hebbal and Ibalur at the rate of Rs.100/- per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store, water in the Bellandar Tank included in the Range and situate in Bangalore Taluk, Bangalore District, and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses etc. whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses etc.,whatsoever required by it on the Camp Site in replacement of the Ranges and buildings, latrines, cook houses etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges.

8. The Second Party has agreed that the First Party retains the right of beneficial user over such portion of the land

conveyed at Ibalur as may not be required by the Second Party for continuous operations, provided that their use for Rifle Ranges and Camp Site is not thereby affected.

9. The Second Party has agreed that jurisdiction over the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

In the presence of -

1.

(Signature of the First Party)
Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore.

2.

(Signature of the Second Party)
for the Government of India for and on behalf of the Secretary of State for India in Council.

The Schedules above referred to.

The First Schedule.

(Here enter full description* of property conveyed at Ibalur and affix plan colouring the same distinctly and marking it as First Schedule Plan A).

* This must include the Survey Numbers together with boundaries. Each plan must be signed by both parties. At the end of both schedules, both parties must sign again and their signatures attested by the same two witnesses.

The Second Schedule.

(Here enter full description of property conveyed at Hebbal and affix plan colouring the same distinctly and marking it as Second Schedule Plan B).

In the presence of -

1.

(Signature of the First Party)
Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysor

2.

(Signature of the Second Party
for the Government of India fo
and on behalf of the Secretary
of State for India in Council.

To

R. Ranga Rao, Esq., B.A., B.L.,
Offg. Chief *Secretary,*
to the Government of Mysore.
Bangalore.

SIR,

Subject:— Acquisition of lands for the Rifle Range at Ibalur.

I have the honour to forward herewith declaration statements under Section 17 (1 & 4) of the Land Acquisition Regulation in respect of 17 guntas of land out of S.Nos. 54 and 55 of Ibalur village, Begur Hobli, Bangalore Taluk to be acquired for the above purpose and to request you to kindly obtain Government sanction therefor and also to cause the notification to be published in the next issue of the Mysore Gazette.

The Sub Division Officer, Bangalore states that it was found during the final acquisition stages that S.Nos. 54 & 55 of Ibalur which come in the midst of other lands acquired have been by mistake omitted in the declaration statement already submitted and that with the written consent of the party, he has taken possession of these lands also.

As regards the cost of acquisition, he states that a sum of Rs.58-8-0 will be necessary and the same may be met out of the savings that have been effected out of the sanctioned grant. He has also reported in his letter under reference that acquisition proceedings have been finally completed in respect of all the land notified and that possession has been taken by him of all the lands affected by this acquisition, and that he is prepared to hand over possession tomorrow and that if required, he will mee Major Heenan in Brigade Office tomorrow at 9 a.m. and take him

IMMEDIATE:

Letter No. B1-479/27-28

From

The Assistant Commissioner,
Bangalore Sub-Division.

To

The Deputy Commissioner,
Bangalore District.

Subject:- Acquisition of Land for Ibbalur Rifle Range.

Sir,

With reference to the above subject, I have the honor to state that acquisition proceedings have been finally completed in respect of all the lands notified and that possession has been taken by me of all the lands affected by this acquisition. It was found during the final acquisition stages that S.Nos. 54 and 55 of Ibbalur which come in the midst of other lands acquired have been mistakenly omitted and this was not observed when the declaration statement was submitted by my predecessor nor when the land was surveyed by the Survey officers. The land measures in all 17 guntas and according to the award passed by me in respect of the adjoining survey numbers, a further sum of Rs. 58-8-0 will be necessary and could be met out from the savings that have been effected out of the sanctioned grant.

Declaration statements under Section 17 (1) are enclosed and Government may kindly be addressed in the matter.

I have the honor to be,
Sir,
Your most obedient servant,
Abdul Hakk
Land Acquisition officer,
Bangalore Sub-Division.

P.S. Vide the Written Consent of the parties possession (Possession) has also been taken of these Survey Numbers S. Nos. There is therefore no difficulty in handing over possession to the Military Authorities

IMMEDIATE.

OFFICE OF THE DEPUTY COMMISSIONER,
BANGALORE DISTRICT.

Dated, Bangalore, the ....24th..June.....*193* 1.

C.S. 4122
19'90-4-93

FROM K. V. Anantaraman, Esq., B.A.,
Deputy Commissioner,
Bangalore District.

25 JUNE 1931 DEWAN'S OFFICE 7101 25 JUN 1931

TO N. Madhava Rao, Esq., B.A., B.L.,
Chief *Secretary,*
to the Government of Mysore.
BANGALORE.

SIR,

Subject:— Acquisition of lands for the Rifle Range at Ibalur.

With reference to your memo No.4711 dated 17th June 1931 on the above subject, I have the honor to enclose herewith for information copies of letters Nos.B1-479/27-28 dated 17th June 1931 and B1-479/27-28 dated 20th June 1931 received from the Sub Division officer, Bangalore in connection with the handing over of the possession of lands to Major Heenan.

I have the honor to be,
Sir,
Your most obedient servant,
K V Anantaraman
Deputy Commissioner,
Bangalore District.

P.R.M.

Subd for perusal
Dewan)
25/6/31
25-6-31

Letter No.B1-479/27-28 dated the 17th June 1931 from the Assistant Commissioner, Bangalore Sub Division to the Deputy Commissioner, Bangalore District.

Withe reference to your memo No.C5-96/28-29 dated 16th June 1931, I have the honor to state that I saw Major Heenan, R.E. and offered to deliver possession to him of the lands acquired in Agara Ibalur for the new Rifle Range. As Major Heenan has other engagements up to the 19th he has made an engagement to go with me on the 20th at 9-30 A.M. to take possession of the lands in question..

" C O P Y "

For Deputy Commissioner,
Bangalore District.

P.R.M.

Letter No.B1-479/27-28 dated the 20th June 1931 from the Land Acquisition officer, Bangalore Sub Division to the Deputy Commissioner, Bangalore District.

With reference to your memo No.C.5.96/28-29 dated 17th June 1931 requiring me to meet Mr.Heenan and to deliver possession of the lands acquired in Agara and Ibalur, I have the honor to state that I met Major Heenan as previously arranged in Ibalur, but he was not prepared to take immediate possession of the land until his departmental Subordinate officer would survey and draw up a plan of the actual extent that has been acquired for the Military Department. He has left the subordinate officer concerned to go round the entire area with the Revenue Officers demarcating evey corner and point by pegs. The Amildar and myself went round the southern portion of the lands while the northern portion was promised to be taken up on Monday the 22nd instant. The work of surveying and drawing up of plans and the determination of the actual extent by the Military Department is ascertained to take a week.

These circumstances are brought to your notice for favour of communication to Government.

" C O P Y "

For Deputy Commissioner,
Bangalore District.

To

The Deputy Commissioner,

Bangalore District.

Sir,

In continuation of this office letter No. 4717/P.P. 90-27-91 dated 17th June 1931 re: the acquisition of S.Nos. 84 and 85 of Ibalur Village, Bangalore Taluk, for the new Rifle Range, I am directed to invite reference to your letter No. C.5-96/28-29 dated 29th October 1930 forwarding the preliminary ~~or~~ duplicate notifications in English and Kannada of the lands to be acquired for the new Range ~~from which~~ It will be seen therefrom that the plots to be handed over to the Military authorities are on both sides of the road and exclude the area taken up by the road and a strip of land on either side of the road all along the plots to be handed over, aggregating in area to 5 acres and 23 guntas ~~in~~tended as road reserve. The extent of road reserve to be retained is also mentioned in the statement of lands to be handed over, sent with your letter. It is hoped that in handing over the lands to the Military authorities the above fact ~~is~~ will be borne in mind and the road and the marginal reserve for the road will not be included in the extents to be handed over.

I have etc.,

Chief Secretary.

26/6/31

26/6/31

No. 11

Letter No 4968 dated 26th June 1931

1990-27-94

From The Chief Secretary to Govt.,

To The Deputy Commissioner,
Bangalore District.

In continuation of this office letter No. 4717/P.P. 90-27-91 dated 17th June 1931 regarding the acquisition of S.Nos. 54 and 55 of Ibalur Village, Bangalore Taluk, for the new Rifle Range, I am directed to invite reference to your letter No. C.5-96/28-29 dated 29th October 1930 forwarding the preliminary notifications in English and Kannada of the lands to be acquired for the new Range. It will be seen therefrom that the plots to be handed over to the Military authorities are on both sides of the road and exclude the area taken up by the road and a strip of land on either side of the road and all along the plots to be handed over, aggregating in area to 5 acres and 23 guntas intended as road reserve. The extent of road reserve to be retained is also mentioned in the statement of lands to be handed over, sent with your letter. It is hoped that in handing over the lands to the Military authorities the above fact will be borne in mind and that the road and the marginal reserve for the road will not be included in the extents to be handed over.

I have the honour to be,
Sir,
Your most obedient servant,

OFFICE OF THE DEPUTY COMMISSIONER,
BANGALORE DISTRICT.

Dated, Bangalore, the .....26th June.....1931.

Letter No C5-96/28-29 Dated 26th June 1931

FROM

K. V. Anantaraman, Esq., B.A.,
Deputy Commissioner,
Bangalore District.

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief *Secretary,*
to the Government of Mysore.
BANGALORE.

SIR,

Subject:— Acquisition of lands for the Rifle Range at Ibalur.

With reference to your letter No.4717/P.P.90-27-91 dated the 17th June 1931 on the above subject. I have the honor to enclose herewith for information a copy of letter No.B1-479/27-28 dated the 20th June 1931 received from the Land Acquisition Officer, Bangalore Sub Division, in the matter.

The plan received with your letter under reference is also returned herewith with the survey Number in question duly marked thereon

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Bangalore District.

P.R.M.

Enclosure No 12

Copy of letter No.B1-479/27-28 dated the 20th June 1931 from the Assistant Commissioner, Bangalore Sub Division, to the Deputy Commissioner, Bangalore District.

With reference to your memo No.C5-96/28-29 dated 19th June 1931, I have the honor to state that Survey Number 55 was originally situated in the centre of the road but now the road has been deviated and passes on the northern side of it. Survey Number 55 occupies approximately the position shown in the map. Survey Number 54 is a Government Kharab of 1 gunta which adjoins survey Number 55, hence no acquisition proceedings are necessary for this latter number. Reservation of survey Number 55 for cultivation after giving all the surrounding area to the Military Department does not seem to be quite correct.

MR. K. V. ANANTARAMAN,
DEPUTY COMMISSIONER.

BANGALORE.
Dated 2nd July 1931.

Dear Sir,

With reference to your D.O. letter No.4968/P.P.90-27-94 dated 26th June 1931, and in continuation of my letter No.C5/96/28-29dated 26-6-31 relating to the acquisition of S.No.55 for the New Rifle Range, I write to state that I inspected the land on 27th June and found that Re-survey map and the tracing furnished by the Survey Department do not agree in as much as the Re-survey map clearly indicates the position of the said survey number while the survey number in question is omitted in the tracing. Even in the Re-survey map it is made to appear that Bangalore-Sarjapur road runs on either side of S.Nos.55 and 54 which is not the case. The southern side of the said S.Nos. which was originally a "Voni" has been abandoned years ago and there is nothing now but Lantana ushes. In fact the position of these S.Nos. in respect of S.Nos. 56 and 53 appears to be quite adjacent. I am therefore of opinion that it is extremely undesirable to leave S.No.55 in private holding when all the surrounding land has been acquired and will be handed over to the British Military authorities.

In handing over possession of the lands acquired to the Military authorities, the Sub Division Officer has reserved nearly 50 feet from the margin ofthe road or 65 feet from the centre of the road on either side. This gives 130 feet for the road including the reserve. The prescribed road margin is only 10 annas from the Check drain vide para 83 and para 73 of the Survey Manual and the reservation now made has been greater in view of the increased importance of this road. I trust that this will be approved by Government. It is on the foregoing basis that the lands are being handed over to the Military authorities.

I request the favour of early orders on the proposal already submitted in respect of acquisition of S.No.55.

Yours sincerely,
K V Ananta Raman

N. Madhava Rao, Esq., B.A.,B.L.,
Chief Secretary to Government,

Dear Sir,

With reference to correspondence ending with your d.o. letter No.C-5/96-28-29 dated 2nd July 1931 regarding the acquisition of S.No. 55 of Ibalur village for the new Rifle Range, I am desired to invite reference to Government Order No.22-25/P.P. 90-27-96 dated 2nd July 1931 sanctioning the acquisition of the said S.No. Regarding the reservation of road margin, the margin of 65 feet from the centre of the road on either side as proposed by you, is sufficient. The date of handing over the lands to the Military authorities and the actual extent of land (with details) handed over may be reported to Government.

Yours sincerely,

MM

URGENT.

All communications should be addressed to the Secretary to the Resident in Mysore, Bangalore, by designation and not by name.

No. 5475
70A-1916.

FROM

Captain G. Kirkbride,
SECRETARY TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 18th August 1931.

Subject.

Shifting of the Rifle Range from Hebbal to Ibalur.

SIR,

With reference to your letter No. Pol.875/P.P.90-27-67, dated the 6th March, 1931, I am directed to forward copies of

Letter No. 12508/iii/Q, dated the 15th June 1931, from Headquarters, Madras District, Bangalore.
Letter No. 12508/iii/84/Q, dated the 10th July, 1931, from Headquarters, Madras District, Bangalore.

letters noted on the margin from Headquarters, Madras District, and to request that the views of the Government of Mysore in the matter may kindly be intimated to this Residency at a very early date. If the Government of Mysore agree with the suggestions made by the Military Authorities, a revised draft agreement may be forwarded for their approval.

2. A copy of a letter No. 12508/X/Q., dated the 1st August, 1930, with enclosure, from Headquarters, Madras District, referred to is enclosed.

Sir,
Your most obedient servant,

Captain.
SECRETARY TO THE RESIDENT.

BJ

No. 1 to No. 15

Letter No. 12508/iii/Q., dated the 15/17th June, 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

---:0:---

With reference to your letter No. 1738, dated the 9th March 1931, regarding the shifting of the Hebbal Rifle Ranges to another site near Ibalur, and also your demi-official letter No.4076 E.M.L. of the 6th June 1931, addressed to the Deputy Assistant Quarter Master General, Madras District.

2. Paragraph 3 of the draft agreement states that the land at Ibalur is to be held by the Military on similar conditions and terms to that pertaining to the Hebbal Rifle Ranges.

3. It therefore appears that paragraph 7 of the agreement is a condition which is outside the terms under which we hold Hebbal and not in accordance with the original preliminary terms outlined in these Headquarters No. 12508/X/Q, dated the 1st August 1930. Accordingly, it will not be agreeable to the Higher Military Authorities.

4. As regards paragrapn 8 of the agreement, the question of the first party retaining the right of "beneficial user of the portions of the land conveyed at Ibalur as may not be required for the 2nd party for continuous operations, etc." will also not be acceptable, as such a situation may cause considerable trouble to the Military Authorities in clearning the Ranges of civilians before firing commences. Furthermore, the camp site, which is not actually occupied by buildings and parade-grounds, is liable to invasion by cultivators, and any amenities, such as sheltering belts of trees, etc. can be removed under this clause. No such conditions as the above were apparently continued in the Hebbal agreement.

5. For ready reference, it is suggested that the agreement should be amplified by a schedule or annexure giving the conditions under which Hebbal Ranges are held by the Military Authorities. It is regretted that these conditions are not available in the record of these Headquarters.

Enclosure No. 15

Letter No. 12508/iii/84/Q., dated the 9/10th July, 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore.

---:O:---

Shifting of the Military Rifle Ranges from Hebbal to Ibalur, Bangalore.

In continuation of these Headquarters letter No. 12508/iii/Q, dated the 17th June 1931, remarking on the draft Agreement submitted with your letter No. 1738, dated the 9th March 1931.

Running through the danger area behind the butts of the proposed new Rifle Ranges at Ibalur is an Electric Power Line with Pole Transformers which it is understood belongs to the Government of Mysore. The existence of this Electric Power Line was overlooked when these Headquarters above quoted letter was written, hence no remark concerning it was made.

It is desired that a clause should be inserted in the Agreement for the taking over of the land for the new Ibalur Ranges that the Military Authorities will not be held responsible for any damage direct or consequential, which may be done to this Electric Power Line by legitimate use of the Rifle Ranges.

---:0:---

NEW RIFLE RANGES AT IBALUR.

1. In continuation of my letter No. 12508/iii/74/Q., dated the 17th June, 1931, I have the honour to report, for your information, that a pamphlet entitled "History of the new Rifle Ranges at Hebbal Bangalore" which was printed in 1902 has just been discovered in the files of the old Bangalore Brigade.

2. I have to inform you that this pamphlet is stated to have been compiled from the files of the Mysore Darbar and brings out certain facts which may help in the completion of the Agreement now under consideration.

(a) The original site of the Rifle Range at Bangalore was on High Ground and was granted to the Government of India by the Darbar as far back as January, 1820. (First Assistant Resident's No.1655 604, dated 11th October, 1881). for ball practice

(b) The Rifle Ranges were transferred to Hebbal under authority of the Government of India letter No. 263 (Military Department), dated Fort William, 4th February, 1882. (First Assistant Resident's No. 142-25, dated 20th April, 1882).

(c) The area handed over originally at Hebbal was 96 acres, 3 R, 4 P, and although not stated in the History, this area was increased to 132.20 acres in 1883 and in 1892-93 by a further Block of 18.30 acres at the South-east corner as an encamping ground.

(d) The conditions under which the lands were held were finally agreed on as follows:-

(i) The boundaries to conform with those marked on the accompanying tracing, the numbers denoting position of the boundary stones to be fixed by the Mysore Public Works Department.

(ii) All the roads and the cart track to Guttahalli together with the usual space attached to such roads for avenues etc., all the water supply contour channels within the boundary to be conserved and maintained by the Mysore Public Works Department.

(iii) The watchman's shed and young tope adjoining it will at present be under the control of the Mysore Public Works Department.

(iv) The Rifle Ranges are not included within the Civil and Military Station boundaries but the ground within the boundaries will be handed over to the Military Authorities as a Rifle Range. (Public Works Secretary's No. 3436, dated 20th November, 1883).

(e) In 1891, owing to the larger danger area required for the Ranges owing to the introduction of the new Magazine Rifle, the boundaries were extended by the handing over of extra land and this land was eventually purchased by the Government of India for Rs.12,176-2-3 (First Assistant Resident's No. 577-654-85, dated 20th February

February, 1893).

(f) The terms under which this extra land was to be held were approved to be similar to those of the original land referred to in (b), (c) and (d) above. (Public Works Secretary's No.364-4-43-5, dated 25th December, 1891, to First Assistant to the Resident).

(g) The full original extent of the land was to be shewn on a drawing prepared by orders of the Dewan indicating the entire catchment area of Sankey's Reservoir. (Public Works Secretary's No.731-112, dated 22nd February, 1893).

(h) This was duly done and after some correspondence the Dewan gave orders that a brief note of the whole arrangements between the Darbar and the British Government with a plan should be recorded in print and communicated to the Deputy Commissioner and the General Department. (Dewan's order dated 2nd September, 1900).

(i) The extent of the land was given as :-

Block A (Dangerous Zone)	..	148.20 acres.
Block B (Rifle Butts.)	..	136.20 acres.
Block C (Encampment ground)	..	18.30 acres.
		302.70

3. I have therefore to bring to your notice that the conditions contained in paragraph 7 & 8 of the draft Agreement are not in accordance with the original conditions as to Hebbal.

Furthermore, with regard to this Dangerous Zone, I have to point out that the Government of India actually acquired this by purchase as brought out in paragraph 2(e) above.

4. I have, in consequence, to state that these additional conditions are not acceptable to the Military authorities and to suggest that a full comprehensive Agreement be now drawn up embodying merely the germaine portion of the conditions contained in paragraph 2(d) above, which are the basis under which the transfer was agreed upon between the Dewan and Major-General Ortion, vide these Headquarters No. 12508/83/Q of August, 1930, copy of which was forwarded to you under these Headquarters No. 12508/X/Q of 1st August, 1930, referred to in your No.6122-70 A/1916 of 4th August, 1930.

Enclosure to No 19.

Letter No. 12508/VII/Q, dated the 9th November, 1931, from the Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore.

----:O:--

Shifting of the Rifle Ranges from Hebbal to Ibalur - Bangalore.

With reference to your letter No. 7718/523/1931, dated the 27th October, 1931.

2. The matter of moving the Power Line was discussed by the Commander, Royal Engineers, Madras District, with the Chief Secretary to the Government of Mysore on the 5th November, 1931.

It was explained to the Chief Secretary that the chance of the Power Line getting hit by bullets from the Ranges was very remote. The Line runs behind the Butts, and actually there is no real necessity to move it at all.

It was further explained that these Headquarters letter No. 12508/iii/84/Q, dated the 10th July, 1931, was merely written to explain that the existence of the Power Line behind the Butts had been overlooked when proposals for constructing the Ibalur Rifle Ranges were first considered, and to cover the Military authorities for not having brought this to the notice of the Mysore Government in the very remote chance of the Line getting cut.

3. Apparently, the Government of Mysore were under the impression that the Line would be constantly cut if they did move it. On the explanation of the Commander, Royal Engineers, however, the Chief Secretary agreed to accept the danger, especially in view of the financial situation.

This verbal decision given by the Chief Secretary has been noted, but I have the honour to request that it may kindly be confirmed in writing.

4. The sketch received with your letter under reply is returned herewith.

S i r,

With reference to the correspondence ending with your letter No.8293/523-31 dated 17th Novr. 1931 on the above subject forwarding a copy of letter No. 12508/VIII/Q dated 9th Novr. 1931 from Head Quarters, Madras District, I am directed to state that as it is understood that the ~~danger~~ likelihood of the electrical power line being hit is very remote, this Govt. will have no objection to leaving the line as it is at present.

I have, etc.,

26/11/31

Chief Secy.

Memo No. 2436/M. dt. 27-11-31.

Copy is forwarded with compliments to the Secy. to Govt. El. Deptt. for favor of needful action.

By order,

26/11/31.

Chief Secretary.

Add

The summary of previous correspondence given in para 2 of Madras District Headquarters letter No.12508/97/Q dated 19th August 1931, based as it is on a printed compilation prepared 30 years ago, does not give a correct idea of the conditions under which the lands at Hebbal were transferred by the Mysore Government to the Military authorities. With a view to remove possible mis-conceptions, an amplified and more up-to-date summary of the papers which have a bearing on this aspect is enclosed. It will be seen therefrom that clauses 7 & 8 of the draft Agreement do no more than give some definiteness to the preliminary understanding arrived at that the new area at Ibalur will be held on the same conditions as the one at Hebbal.

B

In the interest of a speedy conclusion of the formalities connected with this long-pending question, the Durbar are however prepared to agree to a modification of these two clauses to the extent indicated below:-

To

The Secretary to the Hon'ble
the Resident in Mysore.

Subject:- Shifting of the Rifle Range from Hebbal to Ibalur - Draft Agreement.

Sir,

With reference to correspondence ending with your letter No.6455/523-31 dated 4th September 1931 on the above subject, I am directed to state as follows:-

Clause 7 of the draft agreement.

As stated in the history of the case contained in letter No.12508/97/Q dated 19th August 1931 from the Headquarters, Madras District, the lands at Hebbal were given to the Military authorities for use as a rifle range and it is obvious that if they cease to be used for that purpose at any time, they will revert to the Mysore Government. The Durbar take it that neither the existence of this ultimate right of reversio nor the propriety of alluding to it in the new Agreement is now in question. What is apparently desired by the Military authorities is that in the event of the lands reverting to the Durbar, the sum of Rs. 12,176-2-3 paid by the Government of India in 1893 for acquiring a portion of the

danger zone at Hebbal should be refunded to that Government. I am to state that the Durbar have no objection to a provision being made to that effect at the end of clause 7.

Clause 8.

The total area of the Hebbal Range, for which an equivalent extent has been provided at Ibalur is about 450 acres. This includes Forest plantations, etc., over which the Mysore Government are exercising beneficial rights of user. According to the terms of the preliminary understanding ~~reached~~, they would be entitled to similar rights in respect of the Ibalur lands also and this is what clause 8 seeks to provide. But it is ~~now~~ understood that the lay-out of the new Rifle Range will be such as to leave very little area, out of the lands given by this Government, available for plantation, grazing or other uses, without interfering with firing on ~~the Range~~. If this be the case, this Government will not insist on the retention of clause 8.

Electric Power Line.

As regards the insertion of a clause in the agreement that the Military authorities will not be held responsible for any damage direct or consequential, which may be caused to the Electric Power Line by legitimate use of the Rifle Ranges, I am directed to invite reference to this office letter No. Pol.591

P.P. 90-27-113 dated 27th October 1931, in the matter. For reasons stated therein there seems to be no necessity for inserting a clause as above indicated in as much as the chances of any damage to the Power Line are stated by the Military authorities to be very remote. But if this condition is required by the Military authorities to be inserted in the agreement, this Government will have no objection ~~to do so~~.

I have etc.,

CHIEF SECRETARY.

Brief History of the Hebbal Rifle Ranges and the conditions on which they are held by the Military authorities.

*****

The total area of the Hebbal Ranges according to the latest calculation, and as adopted in the draft agreement now under consideration, is 449.46 acres. It is made up of several bits which were made over from time to time by the Mysore Government to the Military authorities. A brief history of the transactions in this connection is given below:-

First Assistant to Resident's letter No.1659-604 dated 11th October 1881. (P

1. The Rifle Range was originally in High Ground on a site which was granted by the Mysore Government for ball practice in 1820. Owing to the proximity of the site to the Madras Railway line and on other grounds, it was found desirable to shift the Range to another place and the Mysore Government offered to supply a new Range ready for use at its own cost. The transfer of the Range to the present site at Hebbal was agreed to by the Military Authorities and the Government of India in 1882.

Govt.of India No. 263/Mily.Dept.dated Fort William, 4th February 1882.

2. The land thus transferred at Hebbal in 1882 was 96 acres. At the request of the Military authorities, the boundaries of the land were, however, revised next year so as to include a large area (136.20 acres). The conditions subject to which the lands were transferred to the Military, as finally agreed upon, are noted below:-

Mysore P.W.Secretary's letter No.3436 dated 20th November 1883.

Assistant Quarter Master General's letter No.3430 dated 23rd November 1883.

Resident's letter No.836/133 dated 11th July 1884.

(1)"The boundaries to confirm with those marked on the accompanying tracing, the numbers denoting position of the boundary stones to be fixed by the Mysore Public Works Department.

(2) All the roads and the cart-track to Guttahalli together with the usual space attached to such roads for avenues, etc., all the water-supply contour channels within the boundaries to be conserved and maintained by the Mysore Public Works Department.

(3) The watchman's shed and young tope adjoining it will at present be under the control of the Mysore Public Works Department.

(4) The Rifle Ranges are not included within the Civil and Military Station boundaries, but the ground within the boundaries as above revised will be handed over to the Military authorities as a Rifle Range."

N.B. The above conditions indicate that the lands were given for a specific purpose viz., for use as a Rifle Range without ~~continuance~~ prejudice to certain easement rights of His Highness' subjects as well as the rights relating to water supply channels etc., in the area..

Mysore P.W.Secretary's No.5507-8/918-9 dated 16th December 1892 to the First Assistant to Resident.

3. In 1892, additional land (to the extent of about 16 acres) ~~were~~ was made over by the Mysore Government to the Military for purposes of extension of the encamping ground.

FirstAssistant to Resident's No.1876-654-5 dated 20th June 1891.

4. In 1891 the Military Authorities stated that owing to the introduction of the new Magazine Rifle it was found necessary to extend the Ranges and asked for transfer of certain additional land in the same way and on the same terms as the original grant. The Military authorities were agreeable to pay a sum of Rs.12,176-2-3 which had to be paid in this connection as compensation to private parties for acquiring lands in private holding. The Durbar ~~agreed~~ consented to the transfer of the lands to the Military Department on the same terms as those agreed to in respect of the

P.W.Secretary's letter No.364-6/43-5 dated 25th December 1891.

original grant, the cost of compensation referred to being payable by the Military. This proposal was finally approved of by the Government of India and an extent of about 148.20 acres was accordingly acquired by the Durbar and handed over to the Military Authorities in 1893. It is to be stated that no money was demanded by, or paid to, the Mysore Government in respect of their revenue rights over the land and there was no question of its sale by the Durbar or purchase by the Government of India. The Government of India only re-imbursed to the Mysore Government the cost of extinguishing private rights in the land, and after this was done it was transferred to the Military Department in the same way and on the same terms as other Government lands which had been made over free of charge. Beyond any monetary claim for refund of the amount thus paid, the rights of the Military in respect of this area are in no way different from those in respect of other portions.

First Assistant to Resident's No.577-654-85 dated 20th February 1893.

5. In 1894, the Dewan ordered a detailed map of the locality to be prepared showing the areas of the several blocks etc. He noted in this connection:- ". . . . . The entire Rifle Range ground should also be shown on the map. 2. No part of the land shown on the map should be used for any purpose not expressly authorised by the Durbar . . . . . "

Para 165 of the "History of the new Rifle Ranges at Hebbal" (Printed - 1902)

6. In the maps prepared at the time the areas of the several blocks of the Rile Range are recorded as below:--

Rifle Butts ..	..	136.20 acres
Encampment ground	..	18.30 acres.
Dangerous Zone ..	..	148.20 acres.
		302.70 acres.

7. It is seen that the total area according to the above calculation comes to only 302.70 acres and there is a balance of nearly 150 acres to be accounted for to make up 450 acres, the area as per latest measurements. An explanation for this is to be found in the subsequent correspondence that took place in 1904-1906 in connection with a controversy that arose in respect of the rights of the Mysore Forest Department over certain plantations etc. which were situated within the boundaries of the Rifle Ranges. Detailed investigation showed that while in the previous correspondence only an extent of 148 acres had been shown as acquired and handed over in 1893 for the "dangerous zone", a large extent of additional Government land (Plantation, unreserved forest etc.) had also passed over to the possession of the Military authorities, without any formal record regarding the transfer of these lands. In respect of these lands it was specifically admitted that the Military have only got the restricted right of firing over the land, the Durbar having the rights of beneficiary user.

Correspondence ending with letter No. 86 C.dated 10th May 1906 from the First Asst. Resident to the Dewan.

In this connection the general principles regarding the rights possessed by the Military were explained in a letter addressed by the First Assistant Resident to the Brigade Major, Bangalore Brigade, an extract from which is quoted below:--

First Asst.Resident's letter No.6167 dated 25th Octr.1905 to the Brigade Major.

> " I am to explain that if a reference be made to the letter No.939-B dated 6th June 1891 from the Assistant Adjutant-General, Bangalore District, it will be seen that all that the Military Authorities asked for in regard to the danger zone was the right to shoot over it and not for a transfer of the free hold to them. Of course if the acquisition of the restricted rights involves the abandonment of the land for other purposes (as appears to have been the case with the cultivated land taken up within the danger zone) the cost of that acquisition is identical with the value of the freehold".

" The wishes of the Military Authorities as contained in Major Bromfield's letter dated the 6th June 1891 were communicated by Sir Harry Prendergast, the then Resident, to the Mysore Durbar in the form of a request "that the land ..... may be handed over to the Military Department in the same way and on the same terms as the present ranges were made over" and the request was acceded to by the Durbar" "on the same terms as those contained in this office letter No.3436 dated 20th November 1883 which were accepted in Assistant Quarter-Master General's letter No.3430 dated the 23rd idem."

Chief Secretary to Government.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

Dated, Bangalore, 15th February 1932.

No. Pol. 880 | P.P.90-7-32

Secy. S.

From

N. MADHAVA RAO, Esq., B. A., B. L.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore.

To Captain G. Kirkbride,
Secretary to the Hon'ble the Resident in Mysore.

Subject:- Shifting of the Rifle Range from Hebbal to Ibalur. Draft Agreement.

Sir,

With reference to correspondence ending with your letter No.6455/523-31 dated 4th September 1931 on the above subject, I am directed to state as follows:-

The summary of previous correspondence given in para 2 of Madras District Headquarters letter No. 12503/97/Q. dated 19th August 1931, based as it is on a printed compilation prepared 30 years ago, does not give an altogether correct idea of the conditions under which the lands at Hebbal were transferred by the Mysore Government to the Military authorities. With a view to remove possible misconceptions, I am to enclose an amplified and more up-to-date summary of the papers with the Durbar's comment on some of the transactions narrated therein. It will be seen therefrom that clauses 7 and 8 of the draft Agreement do no more than give some definiteness to the preliminary understanding arrived at, that the new area at Ibalur will be held on the same conditions as the one at Hebbal.

In the interest of a speedy conclusion of the formalities connected with this long pending question, the Durbar are however prepared to agree to a modification of these two clauses to the extent indicated below:-

Clause 7 of the draft agreement.

The lands at Hebbal were given to the Military Authorities for use as a rifle range and it is obvious that if they cease to be used for that purpose at any time, they will revert to the Mysore Government. The Durbar take it that neither the existence of this ultimate right of reversion nor the propriety of alluding to it in the new Agreement is now in question. What is apparently desired by the Military Authorities is that in the event of the lands reverting to the Durbar, the sum of Rs.12,176-2-3 paid by the Government of India in 1893 for acquiring a portion of the danger zone at Hebbal should be refunded to that Government. I am to state that the Durbar have no objection to a provision being made to that effect at the end of clause 7.

Clause 8.

The total area of the Hebbal Range, for which an equivalent extent has been provided at Ibalur is about 450 acres. This includes Forest plantations, etc., over which the Mysore Government are exercising beneficial rights of user. According to the terms of the preliminary understanding, they would be entitled to similar rights in respect of the Ibalur lands also and this is what clause 8 seeks to provide. But it is understood that the lay-out of the new Rifle Range will be such as to leave very little area, out of the lands given by this Government, available for plantation, grazing or other uses, without interfering with firing. If this be the case, this Government will not insist on the retention of clause 8.

Electric Power Line.

As regards the insertion of a clause in the agreement that the Military authorities will not be held responsible for any damage direct or consequential, which may be caused to the

Electric Power Line by legitimate use of the Rifle Ranges, I am directed to invite reference to this office letter No. Pol. 591/ P.P. 90-27-113, dated 27th October 1931, in the matter. For reasons stated therein, there seems to be no necessity for inserting a clause as above indicated, in as much as the chances of any damage to the Power Line are stated by the Military Authorities to be very remote. But if this condition is required by the Military Authorities to be inserted in the agreement, this Government will have no objection.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Secretary to Government.

TSR.3.

Brief History of the Hebbal Rifle Ranges and the conditions on which they are held by the Military authorities.

***

The total area of the Hebbal Ranges according to the latest calculation, and as adopted in the draft agreement now under consideration, is 449.46 acres. It is made up of several bits which were made over from time to time by the Mysore Government to the Military authorities. A brief history of the transactions in this connection is given below:-

First Assistant to Resident's letter No.1659-604 dated 11th October 1881.

1. The Rifle Range was originally in High Ground on a site which was granted by the Mysore Government for ball practice in 1820. Owing to the proximity of the site to the Madras Railway line and on other grounds, it was found desirable to shift the Range to another place and the Mysore Government offered to supply a new Range ready for use at its own cost. The transfer of the Range to the present site at Hebbal was agreed to by the Military authorities and the Government of India in 1882.

Govt. of India No. 263/Mily.Dept.dated Fort William, 4th February 1882.

2. The land thus transferred at Hebbal in 1882 was 96 acres. At the request of the Military Authorities, the boundaries of the land were, however revised next year so as to include a larger area (136.20 acres). The conditions subject to which the lands were transferred to the Military, as finally agreed upon, are noted

74

below:

Mysore P.W.Secretary's letter No.3436 dated 20th November 1883.

Assistant Quarter Master General's letter No.3430 dated 23rd November 1883

Resident's letter No.836/133 dated 11th July 1884.

"(1) The boundaries to confirm with those marked on the accompanying tracing, the number denoting position of the boundary stones to be fixed by the Mysore Public Works Department.

(2) All the roads and the cart-track to Guttahalli together with the usual space attached to such roads for avenues, etc., all the water-supply contour channels within the boundaries to be conserved and maintained by the Mysore Public Works Department.

(3) The watchman's shed and young tope adjoining it will at present be under the control of the Mysore Public Works Department.

(4) The Rifle Ranges are not included within the Civil and Military Station boundaries, but the ground within the boundaries as above revised will be handed over to the Military authorities as a Rifle Range."

N.B. - The above conditions indicate that the lands were given for a specific purpose viz., for use as a Rifle Range without prejudice to certain easement rights of His Highness' subjects as well as the rights relating to water supply channels etc., in the area.

Mysore P.W.Secretary's No.5507-8/919-9 dated 16th December 1892 to the First Assistant to Resident.

3. In 1892, additional land (to the extent of about 16 acres) was made over by the Mysore Government to the Military for purposes of extension of the encamping ground.

First Assistant to Resident's No.1876-654-5 dated 20th June 1891.

4. In 1891 the Military Authorities stated that owing to the introduction of the new Magazine Rifle it was found necessary to extend the Ranges and asked for transfer of certain additional land in the same way and on the same terms as the original grant. The Military authorities were agreeable to pay a sum of Rs.12,176-2-3 which had to be paid in this connection as compensation to

private parties for acquiring lands in private holding. The Durbar consented to the transfer of the lands to the Military Department on the same terms as those agreed to in respect of the original grant, the cost of compensation referred to being payable by the Military. This proposal was finally approved of by the Government of India and an extent of about 148.20 acres was accordingly acquired by the Durbar and handed over to the Military Authorities in 1893. It is to be stated that no money was demanded by, or paid to, the Mysore Government in respect of their revenue rights over the land and there was no question of its sale by the Durbar or purchase by the Government of India. The Government of India only reimbursed to the Mysore Government the cost of extinguishing private rights in the land, and after this was done it was transferred to the Military Department in the same way and on the same terms as other Government lands which had been made over free of charge. Beyond any monetary claim for refund of the amount thus paid, the rights of the Military in respect of this area are in no way different from those in respect of other portions

P.W.Secretary's letter No.364-6/43-5 dated 25th December 1891.

First Assistant to Resident's No.577-654-95 dated 20th February 1893.

Para 165 of the "History of the new Rifle Ranges at Hebbal" (Printed 1902)

5. In 1894, the Dewan ordered a detailed map of the locality to be prepared showing the areas of the several blocks etc. He noted in this connection:-

".....The entire Rifle Range ground should also be shown on the map. 2. No part of the land shown on the map should be used for any purpose not expressly authorised by the Durbar....

6. In the maps prepared at the time the areas of the several blocks of the Rifle Range are recorded as below:-

Rifle Butts.	..	135.20 acres.
Encampment ground	..	18.30 acres.
Dangerous Zone.	..	148.20 acres
		302.70 acres.

7. It is seen that the total area according to the above calculation comes to only 302.70 acres and there is a balance of nearly 150 acres to be accounted for to make up 450 acres, the area as per latest measurements. An explanation for this is to be found in the subsequent correspondence that took place in 1904-1906 in connection with a controversy that arose in respect of the rights of the Mysore Forest Department over certain plantations etc., which were situated within the boundaries of the Rifle Ranges. Detailed investigation showed that while in the previous correspondence only an extent of 148 acres had been shown as acquired and handed over in 1893 for the "dangerous zone", a large extent of additional Government land (Plantation, unreserved forest &c. had also passed over to the possession of the Military Authorities, without any formal record regarding the transfer of these lands. In respect of these lands it was specifically admitted that the Military have only got the restrict right of firing over the land, the Durbar having the rights of beneficiary user.

Correspondence ending with letter No.86/C. dated 10th May 1906 from the First Assistant Resident to the Dewan.

In this connection, the general principles regarding the rights possessed by the Military

First Assistant Resident's letter No. 6167 dated 25th October 1905 to the Brigade Major.

were explained in a letter addressed by the First Assistant Resident to the Brigade Major, Bangalore Brigade, an extract from which is quoted below:-

"I am to explain that if a reference be made to the letter No.939-B dated 6th June 1891 from the Assistant Adjutant General, Bangalore District, it will be seen that all that the Military Authorities asked for in regard to the danger zone was the right to shoot over it and not for a transfer of the freehold to them. Of course if the acquisition of the restricted rights involves the abandonment of the land for other purposes (as appears to have been the case with the cultivated land taken up within the danger zone) the cost of that acquisition is identical with the value of the freeholds."

"The wishes of the Military Authorities as contained in Major Bromfield's letter dated the 6th June 1891 were communicated by Sir Harry Prendergast, the then Resident to the Mysore Durbar in the form of a request "that the land.....may be handed over to the Military Department in the same way and on the same terms as the present ranges were made over" and the request was acceded to by the Durbar" "on the same terms as those contained in this office letter No.3436 dated 20th November 1883 which were accepted in Assistant Quarter-Master General's letter No.3430 dated the 23rd idem."

His Highness the Maharaja of Mysore,
Bangalore.

Dated Bangalore, 8th March, *1932.*

Subject.

Shifting of the Rifle Ranges from Hebbal to Ibalur - Draft Agreement.

SIR,

With reference to your letter No.Pol.880/P.P.90-27, dated the 15th February, 1932, I am directed to inform you that Headquarters, Madras District, states that in the circumstances explained, the draft Agreement received with your letter No.Pol.875/P.P.90-27-67, dated the 6th March, 1931, is agreed to, subject to the modifications given below:-

I. Clause 7 should be revised as under:-

"7 The Second party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First party if the said land ceases to be used as such Rifle Ranges in which eventuality the sum of Rs.12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

II. Clause 8 to be deleted.

III. The existing clause 9 to be renumbered as Clause '8'.

2. In view of your letter No.Pol.591/P.P.90-27, dated the 26th November, 1931, agreeing to leave the Electric Power Line at Ibalur as it is at present, it is agreed that there is no

63

no necessity for inserting a Clause in the Agreement to the effect that the Military Authorities will not be responsible for any damage direct or consequential, which may be caused to the Electric Power Line by legitimate use of the Rifle Ranges.

3. In this connection I am to invite a reference to Major Loch's letter No.7617, dated the 29th September, 1930, and to request that, in order to effect the exchange of the Hebbal and Ibalur Rifle Range sites between the Government of India and the Government of Mysore at an early date, a revised Agreement, in duplicate, signed by the accredited representative of the Government of Mysore may be forwarded to this Residency at an early date for the signature of the Hon'ble the Resident and transmission to Headquarters, Madras District, Bangalore. The Agreement has to be signed by the Secretary to the Government of India, Army Department for and on behalf of the Secretary of State for India.

I have the honour to be,
Sir,
Your most obedient servant,

Captain,
SECRETARY TO THE RESIDENT.

Subject:- Shifting of the Rifle Range from Hebbal to Ibalur - Draft Agreement

****

Sir,

P.W.D

With reference to correspondence ending with your letter No. 1745/523 of 1931 dated 8th March 1932 on the above subject, I am directed to forward herewith a revised agreement in duplicate, duly signed by the Dewan and to state as follows:-

(Para 9 of the note in PP 90-27 Hwy P)

The actual area included in the Ibalur Rifle Range comes to 445.26 acres and this figure has been adopted in clause 2 of the agreement in modification of the extent (vide 434 acres) previously mentioned.

The schedules to the agreement relating to Ibalur Range which were forwarded with this office letter No. Pol.1016/P.P. 90-27-7 dated 10th April 1931 required to be slightly modified in view of the revised extent of the Ibalur Range. I am to request you to kindly send early a copy of the plans of the Ibalur Range for reference and return, in connection with the preparation of the revised schedules of the Ibalur Range, which will be sent to you as early as possible.

I have etc.,

2/3/32

Chief Secretary.

THIS MEMORANDUM OF AGREEMENT made the ..... day of.....One Thousand Nine Hundred and Thirty Two Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party) of the one part and the Secretary to the Commander, Army Headquarters, Madras District, for the Government of India acting for and on behalf of the Secretary of State for India in Council (hereinafter called the Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS:-

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of land measuring by admeasurement approximately 445.26 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal Rifle Ranges measuring by admeasurement approximately 449.46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs. 1,50,000/- (One Lakh and Fifty Thousand) only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs.420/- (Four Hundred and Twenty only) for 4.20 acres being the difference between the

areas of the lands at Hebbal and Ibalur at the rate of Rs.100/- per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store water in the Bellandar Tank included in the Range and situate in Bangalore Taluk, Bangalore District and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses etc., whatsoever required by it on the Camp Site in replacement of the Ranges and buildings, latrines, cook houses etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges in which eventuality the sum of Rs.12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

8. The Second Party has agreed that jurisdiction over the

83

the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

In the presence of -

1. (Signature of the First Party) Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore.

2. (Signature of the Second Party) For the Government of India for and on behalf of the Secretary of State for India in Council.

To

The Survey Superintendent in Mysore,

Bangalore.

Sir, Subject:- Shifting of the Rifle Range to Ibalur.

With reference to correspondence ending with your letter No. 42 dated 1st March 1932 on the above subject, I am directed to forward herewith for reference and return, the plans with schedules o boundary pillars of the Ibalur Rifle Range received from the Residency.

I am to invite your reference to your D.O. letter No.84 dated 27th October 1930 forwarding the list of the S.Nos. (with their boundaries) included in the Ibalur Rifle Range for being sent to tho Residency. As there is a slight difference in the area of the Ibalu Range as finally decided upon (the area now being 445.26 acres as against 434 acres as it originally stood), I am to request you to kindly send very early the list of the lands (with their boundaries) included in the revised area of the Ibalur Rifle Range, in consultation with the Deputy Commissioner, Bangalore District.

The matter may be kindly treated as <u>very urgent</u> as the revis list of lands has to be forwarded to the Residency along with the plan and schedules of boundary pillars.

I have the honour to be,

Sir,

Your most obedient servant,

(Sd). N. Madhava Rao.

SIR,

Subject:— Shifting of the Rifle Range from Hebbal to Iblur.

With reference to correspondence ending with your Memo No. 3717 dated 8-4-32 I have the honour to enclose herewith, for information a copy of my letter No. C5-96/28-29 dated 20-4-32 addressed to the Superintendent, Revenue Survey and Settlements in Mysore, Bangalore, in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Letter No.C5-96/28-29 dated 20th April 1932 from the Deputy Commissioner, Bangalore District, to the Superintendent, Revenue Survey and Settlements in Mysore, Bangalore.

Subject:- Shifting of the Rifle Range from Hebbal to Iblur.

With reference to correspondence ending with your letter No. 1576 dated nil forwarding for my remarks a list etc of the lands included in the revised area of the Iblur Rifle Range verified by the District Surveyor and the Amildar, Bangalore Taluk, I have the honour to enclose herewith a copy of the Bangalore Sub Division Officer's report in the matter received with his Memo No. B1-479/27-28 dated 10-4-32 stating that the extra extent viz., 11. 26. acres is mainly due to the laying of the Military Road which the Military authorities were unable to align according to the original plan on account of the same coming within the area of the Danger zone; that they therefore shifted its direction to a slight extent which has resulted in their including about 10 acres $20\frac{3}{4}$ guntas of the Belandur tank bed area in the Rifle Range for purposes of the road.

The details are given in the statement herein enclosed.

The list of the lands and the two sketches received with your letter under reference are also herewith returned as desired.

Subject.

Shifting of the Rifle Range from Hebbal to Ibalur.

Sir,

I am directed to invite reference to your letter No. 95/31-32 dated 25th April 1932 promising to send within a week the revised statement of lands and plans included in the revised area of Obalur Range and to request that this information may be kindly furnished at once as the same has to be furnished to the Residency. The copy of the plans of the Ibalur Range together with schedules of boundary pillars sent with this office letter No.3644/P.P. dated 24th March 1932 may be kindly returned with your reply.

I have the honor to be.

Sir,

Your most obedient servant,

Sd. N. Madhava Rao.

Chief Secretary to Government.

Memo No. 3883/P.P dt 3/5/32

Copy of the above is forwarded with compliments to the Deputy Commissioner, Bangalore District for information, with reference to his letter No.C.5.96/28-29 dated 25th April 1932.

By order,

Chief Secretary to Government.

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

SIR,

In continuation of this office letter No. 95/31-32 dated 25th April 1932 and with reference to your letter No. 3886/P.P.90-27 dated 3rd May 1932 re: revised statement of lands and plans included in the revised area of the Ibalur Rifle Range, I have the honor to state that as the bearings noted in the plans received from the Civil and Military Station, Military Department, did not agree with the bearings observed by this Department at a few of the stations on the boundary of the revised area of the Rifle Range and Camping Ground at Ibalur a regular Theodolite traverse of the revised area was carried out, and a plan prepared on the basis of the angles and distances observed is annexed hereto.

The revised area of the Camping Ground and the Rifle Range is 445.18 or 445 acres 7 guntas. There is thus a slight difference of .08 acres or 3½ guntas between the area as now measured by this Department and that given by Military Authorities. Compared with the original area of 434 acres, there is an excess of 11-7 g guntas which is due to the following.

1. 0-17 guntas included by acquiring (a) 0-1 gunta from S.No. 54 and (b) 0-16 guntas from S.No.55 of Ibalur Village
2. 0-12 guntas included in the Camping Ground by deduction from the road margin of 5 acres 23 guntas for ~~xxxxx~~ straightening the boundary.
3. 0-¾ gunta included by acquisition from S.Nos. 9, 15 and of the Agara Village but omitted from the original list.

STATEMENT SHOWING GOVERNMENT LANDS COMING WITHIN THE PROPOSED RIFLE RANGE AT IBALUR, BANGALORE TALUK AS NOW REVISED.

Captain C. Kirkbride,

Subject:- Shifting of the Rifle Ranges from Hobbal to Ibalur - Draft Agreement.

In continuation of this office letter No. Pol. 1009/P.P. 90-27-141 dated 17/18th March 1932, I am directed to forward herewith duly signed, in duplicate, the schedules to the agreement and the revised plans of the Ibalur Rifle Range and the Hobbal Rifle Range and to state as follows:-

There is a slight difference in the area of the Ibalur Range. The revised area has been arrived at after a regular theodolite traverse of the area carried out by the Mysore Survey Department and is 445.18 acres, as against 425.26 acres previously mentioned by the Military Department. The area mentioned in the Agreement already sent may kindly be corrected accordingly.

A copy of the plan of the Ibalur Range, as prepared by the Military Department, is returned.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Secretary to Government.

Memo No. 4161-2 / PP / Emr cash Dated, Camp Mysore, the 10th June 1932.

Copy of the foregoing is forwarded with compliments to the

Deputy Commissioner, Bangalore District.
Superintendent, Rev. Survey & Settlement in Mysore.

By Order,

Chief Secretary to Government.

CORRESPONDENCE

RELATING TO THE

SHIFTING OF THE HEBBAL RIFLE RANGE.

VOL. II.

No. 1. *Letter No. Pol. 1083—P. P. 90-27, dated 3rd April 1930, from the Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.*

SUBJECT.—Shifting of the Hebbal Rifle Range to another site.

I am directed to invite reference to the official correspondence on the above subject ending with Mr. B. Ramaswamaiya's letter No. Pol. 9, dated the 6th July 1925. Since then, as the Hon'ble the Resident is aware, there have been informal consultations with the Military Authorities in the matter and it is understood that they are now agreeable to the shifting of the range to a site near Ibalur. The area of this site is said to be 763 acres and 24 guntas, of which 501 acres and 7 guntas are already in possession of the British Military authorities, being included in the Military Grass Farm and the remaining area, *viz.*, about 262½ acres has to be provided by the Durbar.

The following are the main features of the proposal:—

(*i*) The Mysore Government to bear the cost of acquisition of the extra land required and hand over the same to the Military Authorities for use as a Rifle Range.

(*ii*) The new area to be held by the Military Authorities on the same conditions as the area now included in the Hebbal Range and to be subject to the jurisdiction of the Durbar.

(*iii*) The storage of water in the Bellandur Tank and its use for irrigation purposes to remain unaffected.

(*iv*) The Mysore Government to provide at their own cost the buildings and other conveniences existing at present on the range at Hebbal, as also the supply of water to the new range.

(*v*) The Military Authorities to surrender to the Mysore Government the whole area of the existing Rifle Range at Hebbal with the buildings thereon.

Further, in consideration of the fact that the Mysore Government are now required to provide a smaller extent of land at Ibalur than that included in the Hebbal Range, the Durbar agree to pay for the difference of area at Rs. 100 per acre.

I am to request you kindly to obtain the approval of the Government of India to these proposals, so as to enable the local military authorities to work out further details in consultation with the Durbar, where necessary.

No. 2. *D. O. Letter No. 6842, dated the 30th August 1930, from Lt.-Colonel R. J. C. Burke, Hon'ble the Resident in Mysore, to Sir Mirza M. Ismail, Dewan of Mysore.*

You will remember that recently Captain Colwell, at my request, took round to you a draft letter to the General Officer Commanding, Southern Command, regarding the proposals for the handing over of the Hebbal Rifle Range and making a new Range at Ibalur.

The necessary sanction to the proposals has been received and the Commander, Madras District, is anxious that your acquiescence in the proposed arrangements may be on record, so that a settlement of matter may not be held up owing to your absence.

I enclose a copy of two letters Nos. 12508—111—Q and 12508—112—Q. dated the 30th August 1930, from the Commander, Madras District, to me. The second letter contains a memorandum of the terms agreed upon (sent in duplicate), and a suggestion that they should be endorsed by both you and the Commander, Madras District. If you agree, will you kindly endorse both the memoranda, in token of your acquiescence in the terms, and return them. The Commander, Madras District, will then add his endorsement and return one copy to you.

If there is anything about which you wish to have any explanation, I understand that the Commander, Madras District, will gladly come over to see you about it to-morrow, the 31st August.

Enclosure No. I to No. 2.

Letter No. 12508 111 Q. Headquarters, Madras District, Bangalore, dated 30th August 1930, from the Offg. Commander, Madras District, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Shifting of the Hebbal Rifle Ranges to another site.

I have the honour to refer to correspondence ending with your No. 6122—70A. 1916, dated the 4th August 1930, and to forward herewith a copy of telegram No. 9472—10—Q3, dated the 28th August 1930, from the Quarter-master-General in India, Simla.

Enclosure No. II to No 2.

Copy of telegram No. 9472-10-Q-3, dated the 28th August 1930, from the Quarter-master-General in India, Simla, to Madras District, Bangalore.

Enclosure No. III to No. 2

Letter No. 12508—112 Q. Headquarters, Madras District, Bangalore, 30th August 1930, from the Offg. Commander, Madras District, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

With reference to this office No. 12508—111—Q of to-day's date.

I have the honour to forward herewith a "Draft of the Terms of an Agreement, between the Government of India on the one part, and the Government of Mysore on the other part" concerning the proposal to hand over the HEBBAL Ranges site and buildings to the Mysore Government, and to acquire on behalf of the Government of India a new site, with Ranges and ancillary buildings, near IBALUR.

2. The Draft forwarded herewith, contains the terms which have been agreed upon mutually by the Dewan and by myself, as being fair and reasonable.

3. These terms have been concurred with generally by the Government of India.

4. Owing to the departure of Dewan on 2nd September, on route to England, it is considered desirable that some form of notification in writing be given, of the concurrence of the Dewan, to this Draft of the Terms. A formal legal agreement, embodying the substance of these terms, can then be drawn up, for signature by both parties, after the approval of His Highness the Maharaja has been obtained.

5. As soon as the money required for the construction of Ranges, appliances, and buildings at IBALUR (Rs. 1,50,000) be received by the Military Authorities, work on the new Ranges, can be begun. The sooner the new Ranges be constructed, the earlier will it be possible to evacuate and hand over the HEBBAL Ranges.

6. I am of opinion that, at this stage, it will be sufficient if the Dewan and I were both to record a note on the Draft as follows:—

"I consider these terms to be fair and reasonable
and recommend their acceptance."

The legal agreement, which would subsequently be drawn up would then require the signature of the accredited representative of each party.

Enclosure No. IV to No. 2.

DRAFT OF THE TERMS OF AN AGREEMENT BETWEEN THE GOVERNMENT OF INDIA OF THE ONE PART, AND THE GOVERNMENT OF MYSORE OF THE OTHER PART.

(*i*) Both the Mysore Government and the Military Authorities are agreeable to the shifting of the Ranges from Hebbal to a site near Ibalur.

(*ii*) The area of the land to be handed over to the Military Authorities at Ibalur is approximately 431·68 acres.

(*iii*) The area of the Hebbal Rifle Ranges is 449·46 acres.

(*iv*) In consideration of the fact that the Mysore Government is required to provide a smaller area of land at Ibalur than that provided at Hebbal, the Mysore Government agree to pay for the difference in respect of the areas at Rs. 100 per acre. The difference is approximately 17·78 acres, which at Rs. 100 per acre equals Rs. 1,778-0-0 approximately.

(*v*) The Mysore Government will bear the cost of acquisition of the land required at Ibalur and hand it over to the Military for use as a Rifle Range, and a Camp site.

(*vi*) The new area at Ibalur will be held by the Military Authorities on similar conditions to the area now held at Hebbal.

(*vii*) The rights to, and the power to store, water in the Belandur Tank, and the use of this water for irrigation purposes will remain with the Mysore Government.

(*viii*) The Mysore Government agree to pay Rs. 1,50,000 to acquire the Hebbal Range site.

(*ix*) The Military Authorities will surrender to the Mysore Government the whole area of the existing Rifle Ranges at Hebbal together with the buildings thereon, on the completion of the project at Ibalur.

(*x*) The Military Authorities will construct the new Ranges on the Ibalur site, and water-supply plant, latrines, cook houses, etc., on the camp site, in replacement of the Ranges and buildings which exist on the present Hebbal Ranges.

Signed on behalf of the Government of Mysore.

I consider these terms to be fair and reasonable and recommend their acceptance.

Sd. MIRZA M. ISMAIL,
Dewan of Mysore.

Signed on behalf of the Government of India.

Secretary to the Government of India.

Witnessed by :—

2.

No. 3. *D. O. letter No. 67, dated 31st August 1930, from the Dewan to the Hon'ble the Resident in Mysore.*

I am in receipt of your D.O. letter No. 6842, dated 30th August 1930, regarding the proposals for shifting the Rifle Range from Hebbal to a new site at Ibalur.

The terms of the draft agreement sent by the Commander, Madras District, are generally acceptable to us, subject, of course, to the verification of the actual areas mentioned in clauses (ii), (iii) and (iv).

I have accordingly recorded acceptance of its terms on the two copies of the draft agreement which are herewith returned.

May I be permitted to express my sincere appreciation of the friendly spirit in which General Orton has handled this question? We are most grateful to him and to General Henneker for settling it in a manner satisfactory to both sides.

No. 4. *Letter No. 7617-70A of 1930, dated 29th September 1930, from the Secretary to the Resident in Mysore, to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

Shifting of the Hebbal Rifle Range to another site.

I am directed to refer to your letter No. Pol. 10813 P. P., dated the 3rd April 1930, and to inform you that the Government of India sanction the handing over of the Hebbal Rifle Range, Bangalore, to the Government of Mysore, subject to the following conditions:—

(*a*) that the Government of Mysore will hand over to the Military Authorities an area of land at Ibalur measuring 431·68 acres;

(*b*) that in exchange for the buildings, range targets, etc., on the range at Hebbal, the Government of Mysore will pay to the Government of India the sum of Rs. 1,50,000 with which to construct military requirements at Ibalur, and

(*c*) that the range at Hebbal shall be evacuated and handed over to the Government of Mysore on completion of the work at Ibalur.

2. They also direct that an agreement embodying these conditions duly signed by the accredited representative of the Government of Mysore and also signed by the Resident in Mysore as a token of his acceptance, may be submitted as soon as possible for the signature of the Secretary, Army Department, for and on behalf of the Secretary of State for India. I am, therefore, to request that a draft of an agreement embodying these conditions may kindly be prepared and forwarded to this Residency for the concurrence of Headquarters, Madras District.

No. 5. *D. O. Letter No. 7615, dated 29th September 1930, from the Hon'ble the Resident to the Dewan.*

Shifting of the Hebbal Rifle Range to another site.

Please refer to Sir Mirza M. Ismail's demi-official letter No. 57, dated the 31st August 1930.

I return one original copy of the "Draft of the Terms of an agreement between the Government of India on the one part and the Government of Mysore on the other part" duly endorsed by the Commander, Madras District. An official request has been made separately for a draft of a formal legal agreement embodying these terms to be drawn up and sent to this Residency for the concurrence of the Military Authorities.

In this connection, I would particularly draw your attention to paragraph 5 of letter No. 12508-112—Q, dated the 30th August 1930, from Headquarters, Madras District, and suggest that the payment of the sum of Rs. 1,50,000 should be made at as early a date as possible, so that the Military Authorities can start the work at Ibalur.

Enclosure to No. 5.

DRAFT OF THE TERMS OF AN AGREEMENT BETWEEN THE GOVERNMENT OF INDIA ON THE ONE PART, AND THE GOVERNMENT OF MYSORE ON THE OTHER PART.

(*i*) Both the Mysore Government and the Military Authorities are agreeable to the shifting of the Ranges from HEBBAL to a site near IBALUR.

(*ii*) The area of land to be handed over to the Military Authorities at IBALUR is approximately 431·68 acres.

(*iii*) The area of the HEBBAL Rifle Ranges is 449·46 acres.

(*iv*) In consideration of the fact that the Mysore Government is required to provide a smaller area of land at IBALUR than that provided at HEBBAL, the Mysore Government agree to pay for the difference in respect of the areas at Rs.100-0-0 per acre. The difference is approximately 17·78 acres, which at Rs. 100-0-0 per acre equals Rs. 1,778-0-0 approximately.

(*v*) The Mysore Government will bear the cost of acquisition of the land required at IBALUR and hand it over to the Military Authorities for use as a Rifle Range, and a Camp site.

(*vi*) The new area at IBALUR will be held by the Military Authorities on similar conditions to the area now held at HEBBAL.

(*vii*) The rights to, and the power to store, water in the BELANDUR tank, and the use of this water for irrigation purposes will remain with the Mysore Government.

(*viii*) The Mysore Government agree to pay Rs. 1,50,000 to acquire the HEBBAL Range site.

(*ix*) The Military Authorities will surrender to the Mysore Government the whole area of existing Rifle Ranges at HEBBAL together with the buildings thereon, on the completion of the project at IBALUR.

(*x*) The Military Authorities will construct the new Ranges on the IBALUR site, and the water-supply plant, latrines, cook houses, etc., on the camp site, in replacement of the Ranges and buildings which exist on the present HEBBAL Ranges.

I consider these terms to be fair and reasonable and recommend their acceptance.

(Sd.) MIRZA M. ISMAIL,
Dewan of Mysore.

31st August 1930.

I consider these terms to be fair and reasonable and recommend their acceptance.

(Sd.) E. S. ORTON,
Major General,
Offg. *Commander, Madras District.*

4th September 1932.

No. 6. *D. O. Letter No. 992, dated 30th September 1930, from the Dewan of Mysore, to the Hon'ble the Resident in Mysore.*

I am in receipt of your D. O. Letter No. 7618 of the 29th instant, returning with the endorsement of the Commander, Madras District, the draft of the Terms of the Agreement in regard to the shifting of the Hebbal Rifle Range. I shall have the other matters mentioned in your letter considered and shall write to you again about them.

No. 7. *Letter No. Pol. 875 Enc. P. P. 90-27-67, dated 6th March 1931, from the Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Hebbal Rifle Range to another site near Ibalur.

As requested in your letter No. 7617—70A of 1916, dated 29th September 1930, on the above subject, I am desired to enclose herewith a draft agreement, in legal form embodying the conditions on which the Rifle Range is to be shifted to the new site and to state as follows:—

The actual area wanted by the Military Authorities for the new Range comes to 434 acres and this figure has been adopted in clause 2 of the draft agreement.

Clause 3 recites that the lands at Ibalur shall be held on similar conditions and terms to the area now held at Hebbal. In order to give some definiteness to this stipulation, it is proposed to amplify it by the insertion of clauses 7, 8 and 9.

The schedules to the agreement which are under preparation will be forwarded in due course.

In this connection, I am to point out that an extent of 22 acres out of the Hebbal area is already held by this Government on lease, in exchange for 15 acres

15 guntas in the Hadagod village leased to the Military Authorities for dairy farming (*Vide* Mr. Warburton's letter No. 2718, dated 22nd April 1914). As credit is taken by the Military Authorities for the aforesaid 22 acres in connection with the shifting of the Rifle Range, it is presumed that an independent understanding will be arrived at as regards the retention of the Hadagod lands by the Dairy Farm authorities.

Enclosure to No. 7.

THIS MEMORANDUM OF AGREEMENT made the..... ..... day of..... ....One Thousand Nine Hundred and Thirty-One Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party of the one part and the Commander, Madras District, for the Government of India acting for and on behalf of the Secretary of State for India in Council (herein after called the Second Party) of the other part :—

WHEREBY IT IS AGREED AS FOLLOWS :—

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of lands measuring by admeasurement approximately 434 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of lands called the Hebbal Rifle Ranges measuring by admeasurement approximately 449·46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs. 1,50,000 (One Lakh and Fifty Thousand) only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs. 1,546 (One Thousand Five Hundred and Forty-six only) for 15·46 acres being the difference between the areas of the lands at Hebbal and Ibalur at the rate of Rs. 100 per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store, water in the Bellandur Tank included in the Range and situate in Bangalore Taluk, Bangalore District, and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses, etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses, etc., whatsoever required by it on the Camp Site in replacement of the Ranges and buildings, latrines, cook houses, etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges.

8. The Second Party has agreed that the First Party retains the right of beneficial user over such portion of the land conveyed at Ibalur as may not be required by the Second Party for continuous operations provided that their use for Rifle Ranges and Camp Site is not thereby affected.

9. The Second Party has agreed that jurisdiction over the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

In the presence of :—

1. *(Signature of the First Party) Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore.*

2. *(Signature of the Second Party) for the Government of India for and on behalf of the Secretary of State for India in Council.*

THE SCHEDULES ABOVE REFERRED TO :—THE FIRST SCHEDULE.

(Here enter full description of property conveyed at Ibalur and affix plan colouring the same distinctly and marking it as First Schedule Plan A).

THE SECOND SCHEDULE.

(Here enter full description of property conveyed at Hebbal and affix plan colouring the same distinctly and marking it as Second Schedule Plan B.)

In the presence of :—

1. *(Signature of the First Party) Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore.*

2. *(Signature of the Second Party) for the Government of India for and on behalf of the Secretary of State for India in Council.*

No. 8. *Letter Pol. 1016—P. P. 90-27-677, dated 2nd April 1931, from the Chief Secretary to Government to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Hebbal Rifle Range to Ibalur.

In continuation of my letter No. Pol. 875—P. P. 90-27-67, dated 6th March 1931 on the above subject, I am directed to enclose herewith the two schedules and the plans of the lands referred to in the draft agreement.

Enclosure No. 1 to No. 8.

FIRST SCHEDULE

District	Taluk	Hobli	Village	Serial No.	Kind of land	Extent	Boundaries				Remarks

					Total ...	434—0					

In Survey Numbers 46, 15 and 9 of Agara village 5—16, 2—16 and 4—16 guntas come within the Rifle Range. As this area is very small it is not included in the statement.

Enclosure No. 2 to No. 8.

SECOND SCHEDULE.

District	Taluk	Hobli	Village	Serial No.	Kind of land	Extent	Boundaries				Remarks
							East	West	North	South	
Bangalore	Bangalore	Bangalore	Hebbal Rifle Range or (Gurihodiyuva maidan)			449·46 acres.	Hebbal S. No. 37, 36, 32, 31, 30, 28, 27, 20, 21, 19 and 18. High Road Gangenahalli S. No. 36, 22 and 21. Water Works S. No. 2.	Giddenahalli S. No. 28, 29, 38, 39, 42, 44, 45, 47. Water Works S. No. 3. Survey Inam Bhupasandra village. (Not yet surveyed).	Hebbal S. No. 38 and Kodagehalli village.	Rajamahal S. No. 1 and 2.	†

† The Hebbal Rifle Range (Gurihodiyuva maidan) has been entered as a separate village during resurvey.

No. 9. *Letter No. C. 5-96—28-29, dated 16th June 1931, from the Deputy Commissioner, Bangalore District, to the Offg. Chief Secretary to the Government of Mysore, Bangalore.*

SUBJECT.—Acquisition of lands for the Rifle Range at Ibalur.

I have the honour to forward herewith declaration statements under Section 17 (1 & 4) of the Land Acquisition Regulation in respect of 17 guntas of land out of Survey Numbers 54 and 55 of Ibalur Village, Begur Hobli, Bangalore Taluk to be acquired for the above purpose and to request you to kindly obtain Government sanction therefor and also to cause the notification to be published in the next issue of the *Mysore Gazette*.

The Sub-Division Officer, Bangalore states that it was found during the final acquisition stages that Survey Numbers 54 and 55 of Ibalur which come in the midst of other lands acquired have been by mistake omitted in the declaration statement already submitted and that with the written consent of the party, he has taken possession of these lands also.

As regards the cost of acquisition, he states that a sum of Rs. 58-8-0 will be necessary and the same may be met out of the savings that have been effected out of the sanctioned grant. He has also reported in his letter under reference that acquisition proceedings have been finally completed in respect of all the lands notified and that possession has been taken by him of all the lands affected by this acquisition, and that he is prepared to hand over possession tomorrow and that if required, he will meet Major Heenan in Brigade Office tomorrow at 9 A.M. and take him to Agara and Ibalur. The favour of an immediate reply is requested.

The correspondence ending with the Bangalore Sub-Division Officer's letter No. B1-479—27-28, dated 15th June 1931, is enclosed herein for kind referrence and return.

Enclosure to No. 9.

Letter No. B1-479—27-28, from the Assistant Commissioner, Bangalore Sub-Division, to the Deputy Commissioner, Bangalore District.

SUBJECT—Acquisition of Land for Ibalur Rifle Range.

With reference to the above subject, I have the honor to state that acquisition proceedings have been finally completed in respect of all the lands notified and that possession has been taken by me of all the lands affected by this acquisition. It was found during the final acquisition stages that Survey Numbers 54 and 55 of Ibalur which come in the midst of other lands acquired have been mistakenly omitted and this was not observed when the declaration statement was submitted by my predecessor nor when the land was surveyed by the Survey Officers. The land measures in all 17 guntas and according to the award passed by me in respect of the adjoining survey numbers, a further sum of Rs. 58-8-0 will be necessary and could be met out from the savings that have been effected out of the sanctioned grant.

Declaration statements under Section 17 (1) are enclosed and Government may kindly be addressed in the matter.

P.S :—With the written consent of the parties possession has also been taken of these survey numbers. There is therefore no difficulty in handing over possession to the Military Authorities.

No. 10. *Letter No. 4717—P.P. Enc. 1-90-27-91, dated 17th June 1931, from the Chief Secretary to Government to the Deputy Commissioner, Bangalore District.*

With reference to your letter No. C. 5-96—28-29, dated 16th June 1931, requesting sanction for the acquisition of Survey Numbers 54 and 55 of Ibalur Village, Bangalore Taluk for the Rifle Range at Ibalur, I am directed to enquire where the lands to be acquired are situated with reference to the plan of the lands of the new range sent by the Survey Superintendent.

The plan received from the Survey Superintendent is sent for reference and return.

MEMO No. 4718—P. P., DATED BANGALORE THE 17TH JUNE 1931.

Copy of the above is forwarded with compliments to the Superintendent, Revenue Survey and Settlement in Mysore, with reference to his D.O. letter No. 186, dated 8th February 1931.

No. 11. *Letter No. 4968—P. P. 90-27-94, dated 26th June 1931 from the Chief Secretary to Government to the Deputy Commissioner, Bangalore District.*

In continuation of this office letter No. 4717—P.P. 90-27-91, dated 17th June 1931, regarding the acquisition of Survey Numbers 54 and 55 of Ibalur Village, Bangalore Taluk, for the new Rifle Range, I am directed to invite reference to your letter No. C. 5-96—28-29, dated 29th October 1930, forwarding the preliminary notifications in English and Kanada of the lands to be acquired for the new Range. It will be seen therefrom that the plots to be handed over to the Military Authorities are on both sides of the road and exclude the area taken up by the road and a strip of land on either side of the road all along the plots to be handed over, aggregating in area to 5 acres and 23 guntas intended as road reserve. The extent of road reserve to be retained is also mentioned in the statement of lands to be handed over, sent with your letter. It is hoped that in handing over the lands to the Military Authorities the above fact will be borne in mind and that the road and the marginal reserve for the road will not be included in the extents to be handed over.

No. 12. *Letter No. C. 5-96—28-29, dated 26th June 1931, from the Deputy Commissioner, Bangalore District, to the Chief Secretary to the Government of Mysore, Bangalore.*

SUBJECT.—Acqusition of lands for the Rifle Range at Ibalur.

With reference to your letter No. 4717—P.P. 90-27-91, dated the 17th June 1931 on the above subject, I have the honor to enclose herewith for information a copy of letter No. B1-479—27-28, dated the 20th June 1931 received from the Land Acquisition Officer, Bangalore Sub-Division in the matter.

The plan received with your letter under reference is also returned herewith the survey number in question duly marked thereon.

Enclosure to No. 12.

Copy of letter No. B1-479—27-28, dated the 20th June 1931, from the Assistant Commissioner, Bangalore Sub-Division, to the Deputy Commissioner, Bangalore District.

With reference to your memo No. C5-96—28-29, dated 19th June 1931, I have the honor to state that Survey Number 55 was orginally situated in the centre of the road but now the road has been deviated and passes on the northern side of it. Survey Number 55 occupies approximately the position shown in the map. Survey Number 54 is a Government Kharab of one gunta with adjoins Survey Number 55, hence no acquisition proceedings are necessary for this latter number. Reservation of Survey Number 55 for cultivation after giving all the surrounding area to the Military Department does not seem to be quite correct.

No. 13. *D. O. letter No. C5-96—28-29, dated 2nd July 1931, from the Deputy Commissioner, Bangalore District, to the Chief Secretary to Government.*

With reference to your D.O. letter No. 4968—P.P. 90-27-94, dated 26th June 1931, and in continuation of my letter No. C5—96—28-29, dated 26th June 1931 relating to the acquisition of Survey Number 55 for the New Rifle Range, I write to state that I inspected the land on 27th June and found that Re-survey map and the tracing furnished by the Survey Department do not agree inasmuch as the Re-survey map clearly indicates the position of the said survey number while the

survey number in question is omitted in the tracing. Even in the Re-survey map it is made to appear that Bangalore-Sarjapur road runs on either side of Survey Nos. 55 and 54 which is not the case. The southren side of the said survey numbers which was originally a "Voni" has been abandoned years ago and there is nothing now but Lantana bushes. In fact the position of these Survey numbers in respect of Survey Nos. 56 and 53 appears to be quite adjacent. I am therefore of opinion that it is extremely undesirable to leave Survey No. 55 in private holding when all the surrounding land has been acquired and will be handed over to the British Military Authorities.

In handing over possession of the lands acquired to the Military Authorities, the Sub-Division Officer has reserved nearly 50 feet from the margin of the road or 65 feet from the centre of the road on either side. This gives 130 feet for the road including the reserve. The prescribed road margin is only 10 annas from the Check drain, *vide* para 83 and para 73 of the Survey Manual and the reservation now made has been greater in view of the increased importantance of this road. I trust that this will be approved by Government. It is on the foregoing basis that the lands are being handed over to the Military Authorities.

I request the favour of early orders on the proposal already submitted in respect of acquisition of Survey Number 55.

No. 14. *D. O. Letter No. 277—P. P. 90-27, dated 11th July 1931, from the Chief Secretary to Government to the Deputy Commissioner, Bangalore District.*

With reference to correspondence ending with your D. O. letter No. C5—9-28-29, dated 2nd July 1931, regarding the acquistion of Survey No. 55 of Ibalur Village for the new Rifle Range, I am desired to invite reference to Government Order No. 22-25—P.P. 90-27-96, dated 2nd July 1931 sanctioning the acquisition of the said survey number regarding the reservation of road margin, the margin of 65 feet from the centre of the road on either side, as proposed by you, is sufficient. The date of handing over the lands to the Military Authorities and the actual extent of land (with details handed over) may be reported to Government.

No. 15. *Letter No. 5475—701-1916, dated Bangalore, 1st August 1931, from the Secretary to the Hon'ble the Resident in Mysore to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

SUBJECT.—Shifting of the Rifle Range from Hebbal to Ibalur.

With reference to your letter No. Pol. 875—P.P. 90-27-67, dated the 6th March, 1931, I am directed to forward copies of letters noted on the margin from Headquarters, Madras District, and to request that the views of the Government of Mysore in the matter may kindly be intimated to this Residency at a very early date. If the Government of Mysore agree with the suggestions made by the Military Authorities, a revised draft agreement may be forwarded for their approval.

Letter No. 12508—iii—Q, dated the 15th June 1931, from Headquarters, Madras District, Bangalore.

Letter No. 12508—iii—84—Q, dated the 10th July, 1931, from Headquarters, Madras District, Bangalore.

2. A copy of a letter No. 12508—X-Q., dated the 1st August 1930, with enclosure, from Headquarters, Madras District, referred to is enclosed.

Enclosure No. 1 to No. 15.

Letter No. 12508—iii—Q., dated the 15th—17th June 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

With reference to your letter No. 1738, dated, the 9th March 1931, regarding the shifting of the Hebbal Rifle Ranges to another site near Ibalur, and also your demi-official letter No. 4076, E. M. L. of the 6th June 1931, addressed to the Deputy Assistant Quarter-Master General, Madras District.

2. Paragraph 3 of the Draft Agreement states that the land at Ibalur is to be held by the Military on similar conditions and terms to that pertaining to the Hebbal Rifle Ranges.

3. It therefore appears that paragraph 7 of the agreement is a condition which is outside the terms under which we hold Hebbal and not in accordance with the original preliminary terms outlined in these Headquarters No. 12508—X-Q; dated the 1st August 1930. Accordingly, it will not be agreeable to the Higher Military Authorities.

4. As regards paragraph 8 of the agreement, the question of the first party retaining the right of " beneficial use of the portions of the land conveyed at Ibalur as may not be required for the second party for continuous operations, etc.," will also not be acceptable, as such a situation may cause considerable trouble to the Military Authorities in clearing the Ranges of civilians before firing commences. Further more, the camp site which is not actually occupied by buildings and parade-grounds, is liable to invasion by cultivators, and any amenities, such as sheltering belts of trees, etc., can be removed under this clause. No such conditions as the above were apparently continued in the Hebbal Agreement.

5. For ready reference, it is suggested that the agreement should be amplified by a schedule or annexure giving the conditions under which Hebbal Ranges are held by the Military Authorities. It is regretted that these conditions are not available in the record of these Headquarters.

Enclosure 2 to No. 15.

Letter No. 11508—III--84—Q., dated the 9—10th July 1931, from Headquarters. Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore,

Shifting of the Military Rifle Ranges from the Hebbal to Ibalur, Bangalore.

In continuation of these Headquarters letter No. 12508—III Q., dated the 17th June 1931, remarking on the Draft Agreement submitted with your letter No. 1738, dated the 9th March 1931.

Running through the danger area behind the butts of the proposed new Rifle Ranges at Ibalur is an Electric Power Line with Pole Transformers which it is understood belongs to the Government of Mysore. The existence of this Electric Power Line was overlooked when these Headquarters above quoted letter was written, hence no remark concerning it was made.

It is desired that a clause should be inserted in the Agreement for the taking over of the land for the new Ibalur Ranges that the Military Authorities will not be held responsible for any damage direct or consequential, which may be done to this Electric Power Line by legitimate use of the Rifle Ranges.

Enclosure 3 to No. 15.

Letter No. 12508—XQ., dated the 1st August 1930, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Shifting of the Hebbal Rifle Ranges to another site.

Reference to your No. 3697—70 A-1916, dated the 5th May 1930.

2. I have the honour to forward herewith a copy of these Headquarters proposals in connection with the shifting of the Hebbal Rifle Ranges to another site.

3. As will be seen therefrom an interview was held with the Dewan of Mysore on the 30th June 1930, when the terms of this agreement were *verbally* agreed upon. If the Hon'ble the Resident agrees generally with the terms of the suggested agreement, it is requested that he will kindly reply to this effect so that a copy of his letter may be attached to our letter forwarding them to higher authority.

———

No. 16. *Letter No. 6435—523-1931, dated 4th September 1931, from the Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur.

With reference to the correspondence ending with your letter No. Pol. 180—P. P. 90-27, dated the 8th August 1931, I am directed to forward a copy of a letter No. 12508—97Q, dated the 19th August, 1931, from Headquarters, Madras District, regarding the new Rifle Range at Ibalur and to request that, if there is no objection, a revised agreement embodying the suggestions contained therein may kindly be forwarded for the approval of the Military authorities.

Enclosure to No. 16.

Letter No. 12508-97-Q., dated the 19th August 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

New Rifle Ranges at Ibalur.

1. In continuation of my letter No. 12508-III-74—Q., dated the 17th June, 1931, I have the honour to report for your information, that a pamphlet entitled "History of the New Rifle Ranges at Hebbal, Bangalore" which was printed in 1902 has just been discovered in the files of the old Bangalore Brigade.

2. I have to inform you that this pamphlet is stated to have been compiled from the files of the Mysore Durbar and brings out certain facts which may help in the completion of the Agreement now under consideration.

(*a*) The original site of the Rifle Range at Bangalore was on High Ground and was granted to the Government of India by the Durbar as far back as January 1820, for Ball Practice (First Assistant Resident's No. 1659-604, dated 11th October 1881).

(*b*) The Rifle Ranges were transferred to Hebbal under authority of the Government of India letter No. 263 (Military Department), dated Fort William, 4th February 1882. (First Assistant Resident's No. 142-25, dated 20th April 1882).

(*c*) The area handed over originally at Hebbal was 96 acres, 3 R, 4 P, and although not stated in the History, this area was increased to 132·20 acres in 1883, and in 1892-93 by a further Block of 18·30 acres at the south-east corner as an encamping ground.

(*d*) The conditions under which the lands were held were finally agreed on as follows:—

> (i) The boundaries to conform with those marked on the accompanying tracing, the numbers denoting position of the boundary stones to be fixed by the Mysore Public Works Department.
>
> (ii) All the roads and the cart-track to Gottahalli together with the usual space attached to such roads for avenue, etc., all the water-supply contour channels within the boundary to be conserved and maintained by the Mysore Public Works Department.
>
> (iii) The watchmen's quarters and young topes adjoining it will at present be under the control of the Mysore Public Works Department.
>
> (iv) The Rifle Ranges are not included within the Civil and Military Station boundaries but the ground within the boundaries will be handed over to the Military Authorities as a Rifle Range. (Public Works Secretary's No. 3430, dated 20th November 1888).

(*e*) In 1891, owing to the larger danger area required for the Ranges owing to the introduction of the new Magazine Rifle, the boundaries were extended by the handing over of extra land and this land was eventually purchased by the Government of India for Rs. 12,176-2-3 (First Assistant Resident's No. 577-654-85, dated 20th February 1893).

(*f*) The terms under which this extra land was to be held were approved to be similar to those of the original land referred to in (b), (c) and (d) above. (Public Works Secretary's No. 364-4-43-5, dated 25th December 1891, to First Assistant to the Resident.)

(*g*) The full original extent of the land was to be shewn on a drawing prepared by orders of the Dewan indicating the entire catchment area of Sankey's Reservoir. (Public Works Secretary's No. 731-112, dated 22nd February 1893).

(*h*) This was duly done and after some correspondence, the Dewan gave orders that a brief note of the whole arrangements between the Durbar and the British Government *with a plan* should be recorded in print and communicated to the Deputy Commissioner and the General Department. (Dewan's Order, dated 2nd September 1900).

(*i*) The extent of the land was given as:—

Block A. ... (Dangerous Zone)	148·20	acres
Block B. ... (Rifle Butts.)	136·20	„
Block C. ... (Encampment ground)	18·30	„
Total ...	302·70	acres

I have therefore to bring to your notice that the conditions contained in paragraph 7 and 8 of the Draft Agreement are *not* in accordance with the original conditions as to Hebbal.

Furthermore, with regard to this Dangerous Zone, I have to point out that the Government of India actually acquired this by purchase as brought out in paragraph 2 (e) above.

4. I have, in consequence, to state that these additional conditions are not acceptable to the Military authorities and to suggest that a full comprehensive Agreement be now drawn up embodying merely the germaine portion of the conditions contained in paragraph 2 (d) above, which are the basis under which the transfer was agreed upon between the Dewan and Major-General Ortion, *vide* these Headquarters No. 12508-83—Q. of August 1930, copy of which was forwarded to you under these Headquarters No. 12508—X. Q. of 1st August 1930, referred to in your No. 6122-70 A.—1916 of 4th August 1930.

No. 17. *Letter No. Pol. 434, Encl. 1—Sketch P. P. 90-27-110, dated 8th October 1931, from the Offg. Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT:—Shifting of the Rifle Ranges from Hebbal to Ibalur, Bangalore.

With reference to your letter No. 5475-70 A.—1916, dated 1st August 1931, forwarding a copy of the marginally noted letter from Headquarters, Madras District, stating that the existence of the electric power line near the butts of the proposed Ibalur Rifle Range was over-looked and requesting that a clause be inserted in the Agreement for transfer of the new Range, that the Military authorities will not be held responsible for any damage which may be done to the Electric Power line by the use of the Rifle Ranges, I am directed to state that the Chief Electrical Engineer who was consulted in the matter has proposed the deviation of the Electric Power Line, so as to take the said line beyond the danger area. I am to request that the Military authorities may be kindly requested to state if they are agreeable to the deviation of the Power Line (*vide* portion P. M. A. marked on the sketch enclosed).

Letter No. 12508-iii-84, dated 10th July 1931 from the Head Quarters, Madras District.

The sketch may be kindly returned with your reply.

A further communication will be sent regarding the points referred to in letter No. 12508-III-Q., dated 15th June 1931, from Headquarters, Madras District, Bangalore.

No. 18. *Letter No. 8293—523-1931, dated 17th November 1931, from the Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

SUBJECT:—Shifting of the Rifle Ranges from Hebbal to Ibalur.

With reference to the correspondence ending with your letter No. Pol. 434—P. P. 90-27, St. 110, dated the 8th October 1931, I am directed to forward a copy of a letter No. 12508—VIII-Q., dated the 9th November 1931, from Headquarters, Madras District, and to request that, if there be no objection, the verbal decision

given by you to the Military Authorities regarding the Electric Power Line near the Ibalur Rifle Ranges may kindly be confirmed in writing.

2. The plan received with your letter is returned.

Enclosure to No. 18.

Letter No. 12508—VII—Q. dated the 9th November 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore.

Shifting of the Rifle Ranges from Hebbal to Ibalur, Bangalore.

With reference to your letter No. 7718-523-1931, dated the 27th October 1931.

2. The matter of moving the Power Line was discussed by the Commander, Royal Engineers, Madras District, with the Chief Secretary to the Government of Mysore on the 5th November 1931.

It was explained to the Chief Secretary that the chance of the Power Line getting hit by bullets from the Ranges was very remote. The Line runs behind the Butts, and actually there is no real necessity to move it at all.

It was further explained that these Headquarters letter No. 12508-III-84 Q., dated the 10th July 1931, was merely written to explain that the existence of the Power Line behind the Butts had been overlooked when proposals for constructing the Ibalur Rifle Ranges were first considered, and to cover the Military Authorities for not having brought this to the notice of the Mysore Government in the very remote chance of the Line getting cut.

3. Apparently, the Government of Mysore were under the impression that the Line would be constantly cut if they did not move it. On the explanation of the Commander, Royal Engineers, however, the Chief Secretary agreed to accept the danger, especially in view of the financial situation.

This verbal decision given by the Chief Secretary has been noted, but I have the honour to request that it may kindly be confirmed in writing.

4. The sketch received with your letter under reply is returned herewith.

No. 19. *Letter No. Pol. 591—P.P. 90-27, dated 27th November 1931, from the Chief Secretary to Government, to the Secretary to the Resident.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur.

With reference to the correspondence ending with your letter No. 8293—523-31, dated 17th November 1931 on the above subject, forwarding a copy of letter No. 12508—VIII-Q., dated 9th November 1931, from Headquarters, Madras District, I am directed to state that as it is understood that the likelihood of the electrical power line being hit is very remote this Government will have no objection to leaving the line as it is at present.

MEMO No. 2436—P.P., dated Bangalore, the 27th November 1931.

Copy of the above is forwarded with compliments to the Secretary to Government, Electrical Department, for favour of needful action.

No. 20. *Letter No. 116—523-1931 Encl. 1, dated Bangalore, 8th January 1932, from Captain G. Kirkbride, Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

SUBJECT.—Shifting of the Hebbal Rifle Ranges from Hebbal to Ibalur.

With reference to the correspondence ending with your letter No. Pol. 1152—P. P. 90-27-81, dated the 20th May 1931, I am directed to forward a copy of a letter No. 12508—III-112—Q., dated the 16th December 1931, from Headquarters, Madras District, and to request that you will be so good as to inform me when payment of Rs. 1½ lakhs referred to therein may be expected.

Enclosure to No. 20.

Letter No. 12508—III—112—Q., dated the 16th December 1931, from Headquarters, Madras District, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore.

Shifting of Hebbal Rifle Ranges to another site at Ibalur.

I have the honour to refer to your letter No. 3770, dated the 25th May 1931, under which you forwarded a copy of letter No. Pol. 1152—P.P. 90-27-81, dated the 20th May 1931, from the Chief Secretary to the Government of Mysore, stating that the Mysore Government are agreeable to complete the payment of the whole amount of 1½ lakhs to the Military authorities before the end of March 1932.

2. I am to enquire when payment of the 1½ lakhs may be expected, and am also to request that as the Office of the Controller of Military Accounts, Madras District, Bangalore, has now been amalgamated with the office of the Controller of Military Accounts, Southern Command, Poona, credit of the amount to the Military authorities be made in consultation with the Controller of Military Accounts, Southern Command, Poona.

No. 21. *Letter No. Pol. 757—P.P. 90-27-121, dated 13th January 1932, from the Chief Secretary to Government, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur.

With reference to your letter No. 116—523-31, dated the 8th January 1932, I am directed to state that arrangements will be made for the payment of the sum of Rs. 1½ lakhs referred to therein before the 31st March 1932.

No. 22. *Letter No. Pol. 880—P. P. 90-27—132, dated Bangalore, 15th February 1932, from the Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur - Draft Agreement.

With reference to correspondence ending with your letter No. 6455—523-31, dated 4th September 1931, on the above subject, I am directed to state as follows:—

The summary of previous correspondence given in para 2 of Madras District Headquarters letter No. 12508-97—Q., dated 19th August 1931, based as it is on a printed compilation prepared 30 years ago, does not give an altogether correct idea of the conditions under which the lands at Hebbal were transferred by the Mysore Government to the Military Authorities. With a view to remove possible misconceptions, I am to enclose an amplified and more up-to-date summary of the papers with the Durbar's comment on some of the transactions narrated therein. It will be seen therefrom that clauses 7 and 8 of the Draft Agreement do no more than give some definiteness to the preliminary understanding arrived at, that the new area at Ibalur will be held on the same conditions as the one at Hebbal.

In the interest of a speedy conclusion of the formalities connected with this long pending question, the Durbar are however prepared to agree to a modification of these two clauses to the extent indicated below:—

Clause 7 of the Draft Agreement.—The lands at Hebbal were given to the Military Authorities for use as a rifle range and it is obvious that if they cease to be used for that purpose at any time, they will revert to the Mysore Government. The Durbar take it that neither the existence of this ultimate right of reversion nor the propriety of alluding to it in the new Agreement is now in question. What is apparently desired by the Military Authorities is that in the event of the lands reverting to the Durbar, the sum of Rs. 12,176-2-3 paid by the Government of India in 1893 for acquiring a portion of the danger zone at Hebbal should be refunded to that Government. I am to state that the Durbar have no objection to a provision being made to that effect at the end of clause 7.

Clause 5.—The total area of the Hebbal Range, for which an equivalent extent has been provided at Ibalur is about 450 acres. This includes Forest plantations, etc., over which the Mysore Government are exercising beneficial rights of user. According to the terms of the preliminary understanding, they would be entitled to similar rights in respect of the Ibalur lands also and this is what clause 8 seeks to provide. But it is understood that the lay-out of the new Rifle Range will be such as to leave very little area, out of the lands given by this Government, available for plantation, grazing or other uses, without interfering with firing. If this be the case, this Government will not insist on the retention of clause 8.

Electric Power Line.—As regards the insertion of a clause in the agreement that the Military Authorities will not be held responsible for any damage direct or consequential, which may be caused to the Electric Power Line by legitimate use of the Rifle Ranges, I am directed to invite reference to this office letter No. Pol. 591—P. P. 90-27-113, dated 27th October 1931, in the matter. For reasons stated therein, there seems to be no necessity for inserting a clause as above indicated, in as much as the chances of any damage to the Power Line are stated by the Military Authorities to be very remote. But if this condition is required by the Military Authorities to be inserted in the agreement, this Government will have no objection.

Enclosure to No. 22.

BRIEF HISTORY OF THE HEBBAL RIFLE RANGES AND THE CONDITIONS ON WHICH THEY ARE HELD BY THE MILITARY AUTHORITIES.

The total area of the Hebbal Ranges according to the latest calculation, and as adopted in the Draft Agreement now under consideration, is 449·46 acres. It is made up of several bits which were made over from time to time by the Mysore Government to the Military Authorities. A brief history of the transactions in this connection is given below :—

First Assistant to Resident's letter No. 1659–604, dated 11th October 1881.

1. The Rifle Range was originally in High Ground on a site which was granted by the Mysore Government for ball practice in 1820. Owing to the proximity of the site to the Madras Railway line and on other grounds, it was found desirable to shift the Range to another place and the Mysore Government offered to supply a new Range ready for use at its own cost. The transfer of the Range to the present site at Hebbal was agreed to by the Military Authorities and the Government of India in 1882.

Government of India No 263—Military Department, dated Fort William, 4th February 1882.

2. The land thus transferred at Hebbal in 1882 was 96 acres. At the request of the Military Authorities, the boundaries of the land were, however, revised next year so as to include a larger area (136·20 acres). The conditions subject to which the lands were transferred to the Military, as finally agreed upon, are noted below :—

Mysore P. W. Secretary's letter No. 3436, dated 20th November 1883.

Assistant Quarter-Master General's letter No. 3430, dated 23rd November 1883

Resident's letter No. 836-133, dated 11th July 1884.

"(1) The boundaries to confirm with those marked on the accompanying tracing, the number denoting position of the boundary stones to be fixed by the Mysore Public Works Department.

(2) All the roads and the cart-track to Gattahalli together with the usual space attached to such roads for avenues etc., all the water-supply channels within the boundaries to be reserved for the use of the Mysore Public Works Department.

(3) The watchman's shed and lying tope adjoining it will at present be under the control of the Mysore Public Works Department.

(4) The Rifle Ranges are not included within the Civil and Military Station boundaries, but the ground within the boundaries as above revised will be handed over to the Military authorities as a Rifle Range.

N. B.—The above conditions indicate that the lands were given for a specific purpose, viz., for use as a Rifle Range without prejudice to certain easement rights of His Highness' subjects as well as the rights relating to water-supply channels etc., in the area.

Mysore P. W. Secretary's No. 5507-8—919-9, dated 16th December 1892, to the First Assistant to the Resident.

First Assistant to Resident's No. 1876-654-5, dated 20th June 1891.

3. In 1892, additional land (to the extent of about 18 acres) was made over by the Mysore Government to the Military for purposes of extension of the encamping ground.

4. In 1891 the Military Authorities stated that owing to the introduction of the new Magazine Rifle it was found necessary to extend the Ranges and asked for transfer of certain additional land in the same say and on the same terms as the original grant. The Military authorities were agreeable to pay a sum of Rs. 12,176-2-3 which had to be paid in this connection as compensation to private parties for acquiring lands in private holding. The Durbar consented to the transfer of the lands to the Military Department on the same terms as those agreed to in respect of the original grant, the cost of compensation referred to being payable by the Military. This proposal was finally approved of by the Government of India and an extent of about 148·20 acres was accordingly acquired by the Durbar and handed over to the Military Authorities in 1893. It is to be stated that no money was demanded by, or paid to the Mysore Government in respect of their revenue rights over the land and there was no question of its sale by the Durbar or purchase by the Government of India. The Government of India only reimbursed to the Mysore Government the cost of extinguishing private rights in the land, and after this was done it was transferred to the Military Department in the same way and on the same terms as other Government lands which had been made over free of charge. Beyond any monetary claim for refund of the amount thus paid, the rights of the Military in respect of this area are in no way different from those in respect of other portions.

P. W. Secretary's letter No. 364-6—43-5, dated 25th December 1891.

First Assistant to Resident's No. 577-654-85, dated 20th February 1893.

Para 165 of the History of the new Rifle Ranges at Hebbal" (Printed 1902).

5. In 1894, the Dewan ordered a detailed map of the locality to be prepared showing the areas of the several blocks, etc. He noted in this connection :—

"..... The entire Rifle Range ground should also be shown on the map. 2. No. part of the land shown on the map should be used for any purpose not expressly authorised by the Durbar ....."

6. In the maps prepared at the time the areas of the several blocks of the Rifle Range are recorded as below :—

Rifle Buts. ...	...	136·20 acres.
Encampment ground	...	18.30 acres.
Dangerous Zone. ...	...	148·20 acres.
Total	...	302·70 acres.

7. It is seen that the total area according to the above calculation comes to only 302·70 acres and there is a balance of nearly 150 acres to be accounted for to make up 450 acres, the area as per latest measurements. An explanation for this is to be found in the subsequent correspondence that took place in 1904-1906 in connection with a controversy that arose in respect of the rights of the Mysore Forest Department over certain plantations, etc., which were situated within the boundaries of the Rifle Ranges. Detailed investigation showed that, while in the previous correspondence only an extent of 148 acres had been shown as acquired and handed over in 1893 for the "dangerous zone" a large extent of additional *Government land* (*Plantation, unreserved forest etc.*,) had also passed over to the possession of the Military Authorities, without any formal record regarding

*Correspondence ending with letter No. 86 C., dated 10th May 1906, from the First Assistant Resident to the Dewan.

First Assistant Resident's letter No. 6167, dated 25th October 1905, to the Brigade Major.

the transfer of these lands. In respect of these lands it was specifically admitted that the Military have only got the restricted right of firing over the land, the Durbar having the right of beneficiary user.

In this connection, the general principles regarding the rights possessed by the Military were examined in a letter addressed by the First Assistant Resident to the Brigade Major, Bangalore Brigade, an extract from which is quoted below:—

> "I may to explain that if a reference be made to the letter No. 939-B, dated 6th June 1891 from the Assistant Adjutant-General, Bangalore District, it will be seen that all the Military Authorities asked for in regard to the danger zone was the right to shoot over it and not for a transfer of the free hold to him. Of course, if the acquisition of the restricted rights involves the abandonment of the land for other purposes (as appears to have been the case with the cultivated land taken up within the danger zone) the cost of that acquisition is identical with the value of the free hold."
>
> "The wishes of the Military Authorities as contained in Major Brownfield's letter, dated the 6th June 1891 were communicated by Sir Harry Prendergast, the then Resident to the Mysore Durbar in the form of a request" that the land..... may be handed over to the Military Department in the same way and on the same terms as the present ranges were made over "and the request was acceded to by the Durbar" on the same terms as those contained in this office letter No. 3436, dated 20th November 1883 which were accepted in Assistant Quarter-Master General's letter No. 3430, dated the 23rd idem."

(Sd.) N. MADHAVA RAO,
Chief Secretary to Government.

No. 23. *Letter No. Pol. 917, dated 24th February 1932, from the Chief Secretary to Government, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Rifle Range, from Hebbal to Ibalur.

In continuation of this office letter No. Pol. 757, dated 13th January 1932, stating that arrangements will be made for the payment of the sum of Rs. 1½ lakhs in connection with the shifting of the Range to Ibalur before 31st March 1932, I am directed to state that the total amount payable to the Military Authorities in accordance with the terms of the agreement is Rs. 1,47,820 as detailed in the accompanying statement which it is hoped will be found to be in order.

Arrangements will be made to pay this amount before the end of the March 1932 as already intimated.

---

*(Printed as an Appendix.)

Enclosure to No. 23.

STATEMENT

	Rs.
(i) Amount payable to the Military Authorities in accordance with the agreement for the exchange of the Ranges.	1,50,000
(ii) Amount payable in accordance with the agreement for the difference in the areas of the two ranges, *viz.*, 4·20 acres (in accordance with the latest plans sent by the Military Authorities for verification, and (ii) signature by the Chief Revenue Officer) at Rs. 100 per acre.	420
Total amount to be paid to the Military Authorities. Total of (i) and (ii)	1,50,420
(iii) Deduct amounts of Rs. 1,500 and Rs. 1,100 paid to the Military Authorities already for construction work. (*Vide* correspondence ending with this office letter No. Pol. 881—P. P. 90-27-70, dated 7th March 1931.)	2,600
(iv) Balance of the amount to be paid to the Military Authorities ...	1,47,820

No. 24. *Letter No. 1745—523 of 1931, dated 8th March 1932, from the Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur—Draft Agreement.

With reference to your letter No. Pol. 880—P. P. 90-27, dated the 15th February 1932, I am directed to inform you that Headquarters, Madras District, state that in the circumstances explained, the Draft Agreement received with your letter No. Pol. 875—P. P. 90-27-67, dated the 6th March 1931, is agreed to, subject to the modifications given below:—

I. Clause 7 should be revised as under.—

"7 the Second party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First party if the said land ceases to be used as such Rifle Ranges in which eventuality the sum of Rs. 12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

II. Clause 8 to be deleted.

III. The existing Clause 9 to be renumbered as Clause '8.'

2. In view of your letter No. Pol. 591—P. P. 90-27, dated the 26th November 1931, agreeing to leave the Electric Power Line at Ibalur as it is at present, it is agreed that there is no necessity for inserting a Clause in the Agreement to the effect that the Military Authorities will not be responsible for any damage direct or consequential, which may be caused to the Electric Power Line by legitimate use of the Rifle Ranges.

3. In this connection I am to invite a reference to Major Loch's letter No. 7617, dated the 29th September 1930, and to request that, in order to effect the exchange of the Hebbal and Ibalur Rifle Range sites between the Government of India and the Government of Mysore at an early date, a revised Agreement, in duplicate, signed by the accredited representative of the Government of Mysore may be forwarded to this Residency at an early date for the signature of the Hon'ble the Resident and transmission to Headquarters, Madras District, Bangalore. The Agreement has to be signed by the Secretary to the Government of India, Army Department for and on behalf of the Secretary of State for India.

No. 25. *Letter No. Pol. 1009—P.P. 90-27-141, dated Bangalore, 17—18th March 1932, from the Chief Secretary to the Government of His Highness the Maharaja of Mysore, to the Secretary to the Hon'ble the Resident in Mysore.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur—Draft Agreement.

With reference to correspondence ending with your letter No. 1745—523 of 1931, dated 8th March 1932 on the above subject, I am directed to forward herewith a revised agreement in duplicate duly signed by the Dewan and to state as follows:—

The actual area included in the Ibalur Rifle Range comes to 445·26 acres and this figure has been adopted in clause 2 of the agreement in modification of the extent (*viz.*, 434 acres) previously mentioned.

The schedules to the agreement relating to Ibalur Range which were forwarded with this office letter No. Pol. 1016—P.P. 90-27-77, dated 10th April 1931 require to be slightly modified in view of the revised extent of the Ibalur Range. I am to request you to kindly send early a copy of the plans of the Ibalur Range for reference and return, in connection with the preparation of the revised schedules of the Ibalur Range, which will be sent to you as early as possible.

Enclosure to No. 25.

THIS MEMORANDUM OF AGREEMENT made the seventeenth day of March, One Thousand Nine Hundred and Thirty-two, Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore hereinafter called the First party) of the one part and the Secretary to the Government of India, Army Department, acting for and on behalf of the Secretary of State for India in Council hereinafter called Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS:—

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of land measuring by admeasurement approximately 445·26 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal-Rifle Ranges measuring by admeasurement approximately 449·46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan 'B' annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and said First Party will pay to the said Second Party, the sum of Rs. 1,50,000 one Lakh and Fifty Thousand only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs. 420 (Four Hundred and Twenty only) for 4·20 acres being the difference between the areas of the lands at Hebbal and Ibalur at the rate of Rs. 100 per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the right to, and the power to store water in the Bellandur Tank included in the Range and situate in Bangalore Taluk, Bangalore District and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses, etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses, etc., whatsoever required by it on the camp site in replacement of the

Ranges and buildings, latrines, cook houses, etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use us Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges, in which eventuality the sum of Rs. 12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

8. The Second Party has agreed that jurisdiction over the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

Seal of the Government of Mysore.

(Sd.) MIRZA M. ISMAIL.

No. 26. *Letter No. Pol. 1044—P.P. 90-27-145, dated 29th March 1932, from the Chief Secretary to Government, to the Secretary to the Resident.*

SUBJECT.—Shifting of the Rifle Ranges from Hebbal to Ibalur.

In continuation of this office letter No. Pol. 917—P.P. 90-27, dated 24th February 1932 on the above subject, I am directed to inform you that the sum of (Rs. 1,47,820) Rupees One lakh, forty-seven thousand, eight hundred and twenty only, referred to therein, was paid into the Imperial Bank of India, Bangalore on the 17th March 1932.

APPENDIX.—(*Vide No. 22.*)

Correspondence relating to the rights of the Mysore Government over the Forest Plantation situated within the Danger Zone of the Hebbal Rifle Ranges.

No. 1.—*Letter No. 360-2221, dated 1st April 1905, from the Secretary to the Government of His Highnses the Maharaja of Mysore, Public Works Department to the First Assistant to the Hon'ble the Resident in Mysore, Bangalore.*

With reference to correspondence ending with your letter No. 1733 of the 23rd ultimo, to the address of the Dewan of Mysore, enquiring how the matter now stands as regards the operations conducted by the Mysore Forest Department on what is said to be Military land at the Hebbal Rifle Ranges, I have the honour to forward the enclosed copy of Bangalore District, Deputy Commissioner's No. M. 325, dated 25th idem, with a tracing of the map therein referred to, and to observe that the plantation situated inside the dangerous zone does not seem to have been acquired for the Military Department, for reasons given by the Deputy Commissioner.

11. The Conservator of Forests in Mysore, reports that the Plantation in question was opened by the Forest Department in 1886, and has continued in their possession ever since. It was constituted a State Forest in 1896 in Government Notification No. 10407—Ft. F. 153-95, dated 29th May 1896, but the lands required for the extension of the Rifle Ranges at Hebbal were handed over to the Military Department in 1893.

Enclosure to No. 1.

Letter No. 325, *dated* 25*th March* 1905, *from the Deputy Commissioner, Bangalore District, to the Chief Engineer in Mysore, Bangalore.*

With reference to your No. 801 of the 3rd February and subsequent No. 1009 of the 10th February 1905, enquiring whether the plantation at the Hebbal Rifle Range is not included in the piece or land acquired by and handed over to the British Military Department, I have the honour to inform that on a reference to the statement of compensation amounting to Rs. 12,176-2-8 paid for lands acquired, it appears that the statement includes only the lands that were in private holdings. Neither the forest plantation not the pasture lands that have been included in the sketch are shown in the statement.

The map received with the above is herewith returned.

No. 2.—*Letter No.* 6167, *dated* 25*th October* 1905, *from R. C. H. Moss King, Esq., I.C.S. First Assistant to the Resident in Mysore, to the Dewan of Mysore.*

With reference to the correspondence ending with Mr. McHutchin's letter No. 850–5473, dated the 21st August 1905, I am directed to forward a copy of the marginally noted papers regarding the plantation behind the Hebbal Range.

No. 5166, dated 11th September 1905, to the Brigade Major, Bangalore Brigade.
No. 8019—R., dated 9th October 1905, from the Brigade Major, Bangalore Brigade with enclosure.

2. I am to enquire, with reference to paragraph 3 of Captain Rice's letter, whether the Durbar are aware of the grass operations therein mentioned and whether they have any remarks to offer in the matter.

3. Mr. Williams will be obliged if a copy of the map alluded to in paragraph 5 of Captain Rice's letter can be furnished to this office, with information as to why the area in question was shown in that map as military land.

4. In conclusion, I am to request that the Offg. Resident may be favoured with a definite statement of the views of the Durbar as to their own position in the matter, showing on what terms the land was handed over to the Military authorities and quoting the authority on which their statement is based.

Enclosure (i) to No. 2.

No. 5166, dated the 11th September 1905, from R. C. H. Moss King, Esq., I. C. S., First Assistant to the Hon'ble the Resident in Mysore, to the Brigade Major, Bangalore Brigade.

I am directed to acknowledge the receipt of your letter No. 6927-R. dated the 26th July 1905, regarding the plantation behind the Hebbal Range.

2. In this connection I am to explain that if a reference be made to the letter No. 939-B, dated the 6th June 1891, from the Assistant Adjutant-General, Bangalore District, it will be seen that all that the Military Authorities asked for in regard to the danger zone was the right to shoot over it and not for a transfer of the freehold to them. A similar instance of the acquisition of restricted rights over lands for military purposes will be found specially provided for in the Indian

Works of Defence Act, VII of 1903, ... the right to prevent buildings. Of course, if the acquisition of the restricted rights involves the abandonment of the land for other purposes (as appears to have been the case with the cultivated land taken up within the danger zone) the cost of that acquisition is identical with the value of the freehold.

3. The wishes of the Military Authorities as contained in Major Bromfield's letter dated the 6th June 1891 were communicated by Sir Henry Prendergast, the then Resident, to the Mysore Durbar in the form of a request "that the land ..... may be handed over to the Military Department in the same way and on the same terms as the present Ranges were made over" and the request was acceded to by the Durbar "on the same terms as those contained in this Office letter No. 3436, dated 20th November 1883, which were accepted in Assistant Quarter-Master General's letter No 3430, dated the 23rd idem." If these letters are referred to, it will be seen that the Mysore Government expressly stipulated that the only plantation which fell within the area made over in 1883 was to remain under the control of the Mysore Public Works Department, and applying the same conditions to the grant of the land within the danger zone, it appears that the Forest Department of the State are within their rights in continuing operations within the plantation situated within these limits.

4. The position then is that up to now the Military Authorities have not asked for more rights over the plantation than are expressed by the right to fire over it as part of the danger zone to the range. The Durbar on their part have not been asked for a cession of more rights than are consistent with the plantation being still under the control of the State's Public Works or Forest Department. In these circumstances, Mr. Williams does not think that it can be argued that the State has parted with its forestry rights. The management of the plantation only calls for extremely occasional visit which would quite easily be timed for occasions when the range is not in use, and the position is therefore essentially different from that of ground under cultivation which is the scene during part of the year at any rate of practically continuous operations.

5. I am, in conclusion, to add that Mr. Williams does not refer to Article 9 of the Instrument of Transfer because up to the present time the question of taking up the plantation as an act of authority under the provisions of that Instrument has not in fact come under consideration.

Enclosure (ii) to No. 2.

No. 8019 R., dated the 9th October 1905, from Captain S. H. Rice, Brigade Major, Bangalore Brigade, to the First Assistant to the Hon'ble Resident in Mysore, Bangalore.

In reply to your No. 5166 of 11th September 1905, I am directed to state that on referring to letter No. 939-B, of 6th June 1891 from the A. A. G., Bangalore District, it is observed that two requests were made, viz.—

(i) The annual cost of acquiring the site of the stop butt, and the right to shoot over the ground behind.

(ii) The cost of acquiring the same permanently with the same right to shoot over it.

2. No reply was furnished to the first question but the answer to the second was a statement showing the amount of compensation to be paid which was given. It was also communicated that all the owners concerned accepted the award except one which would be dealt with under the Land Acquisition Act, no mention was made of reserving control over any plantation. It is therefore reasonable to suppose that, if at that time it was agreed to leave the plantation under the control of the Mysore Forest Department and simply to acquire the land, to shoot over it, this matter would have been made of the fact.

3. As a matter of fact the whole land from the butts to the Hebbal Tank was formally handed over to the Commissariat Department for grass operations and the Deputy Commissioner's Order to this effect was published on the 21st January 1891. From this it is shown that the Military Authorities at that time had no doubt as to the nature of the conditions on which the land was acquired and that they believed the whole dangerous zone to have been handed over to them. No intimation of the fact that the plantation was declared a State Forest, or even that the Mysore Forest Department claimed any control over it has been made to the Military, on the other hand the Military Authorities have harvested grass from off this plot without any objection from the Durbar. It was discovered last year that that Department was carrying out Forest operations in the same plot and thus this correspondence has arisen.

4. With regard to the point raised in para 3 of your letter under reply, regarding a plantation referred to in Mysore P. W. Secretary letter No. 3436, dated 20th November 1883 it is presumed that the young tope mentioned in clause (3) is the plantation you refer to. The tope in question consists of some half dozen trees covering less than one acre, and if it was considered necessary to reserve control of these and make a special stipulation regarding them, it is pertinent to enquire why a large plantation covering nearly 70 acres should not be mentioned at all, if it was decided to keep it under the control of the Mysore Forest Department.

5. I am also directed to point out that the map, specially drawn up by the orders of the Dewan to place on record all transactions with regard to the land in which the ranges at Hebbal are situated, shows the whole dangerous area, including the plantation as Military land.

6. It is not a question of taking it up now but of requesting the Mysore Forest Department to desist from further operations on Military land, such operations may be dangerous to life.

Enclosure (iii) to No. 2.

Copy of District Order No. 45, dated 21st January 1895, by Brigadier-General M. W. E. Gosset, C.B., Commanding, Bangalore District.

45. *Hay Farm.*—The whole of the land lying between the Rifle Butts, Hebbal and Hebbal Tank, having been purchased from the Mysore Government in order to be converted into a hay farm. Officers commanding Mounted Corps and Batteries will issue stringent orders to the Grass-cutters under their orders, prohibiting the cutting, digging or removal of grass from this land and from trespassing on it.

11. Any grass-cutter found disobeying these orders will be severely punished.

No. 3.—*Letter No. 296—2024, dated 29th March 1906, from the Secretary to the Government of His Highness the Maharaja of Mysore, Public Works Department, to the First Assistant to the Hon'ble the Resident in Mysore, Bangalore.*

With reference to your letter No. 6167 of the 25th October last, to the address of the Dewan of Mysore, forwarding copy of correspondence between the Residency and the Brigade Major, Bangalore Brigade, regarding the plantation behind the Hebbal Range; and asking for a definite statement of the views of the Durbar as to their own position in the matter; I am directed to reply to the points raised in Captain Rice's letter No. 8019—R., dated 9th idem as follows:—

The first point raised by Captain Rice is, that in the correspondence relating to the transfer of the area of land required for the extension of the Rifle Range grounds at Bangalore no special mention was made by the Durbar reserving control over any plantation. This point has already been fully dealt within letter No. 5166 of the September last, from the First Assistant to the Hon'ble the Resident to the address of the Brigade Major, and I have nothing further to add to it. It is presumed that it was on account of this understanding that the Military Authorities did not hitherto claim any right to the plantation in question.

Secondly.—Captain Rice says that the Military Authorities have harvested grass from off this plot without any objection from the Durbar. It will be seen from the enclosed copy of letter No. 3758 of the 18th November last from the Conservator of Forests in Mysore, that not only grass crops, but also other produce from this plantation have been in the undisputed possestion of the Mysore Forest Department until now, and that he is unaware that the Military Authorities had over harvested grass from the plantation. He also states that this plantation was constituted a State Forest in 1896, in Government Notification No. 10407—F. 153-95 of 29th May 1896; and large sums of money have been since expended on its improvement and maintenance by the Forest Department.

Thirdly.—As to the inclusion of the plantation within the dangerous zone shown as Military land in the map prepared under the orders of the late Dewan; I am to inform you that the dangerous zone as I indicated on the map referred to would appear to be intended to show the entire extent only approximately. The grounds have again been resurveyed, and their actual position is now accurately shown in the map, herewith forwarded. The plot consisting of Survey No. 24, 25, 26 and 135 (tinted lake) is the Durbar plantation, and that coloured green is unreserved forest while the rest of the lands (tinted burnt sienna) are those acquired from the raiyats, and for which compensation to the amount of Rs. 12,176-2-3 was paid as per statement already furnished to the Residency (*vide* this office No. 5546, dated 15th December 1891).

II. In conclusion, I would observe that the area comprising the dangerous zone handed over to the Military Department is entered as 148·20 acres in the map above referred to, whereas it would appear from the resurvey taken that it should be 174 acres 32 guntas, excluding the Forest Plantation, and the land shown as unreserved forest. In these circumstances, the Durbar are of opinion that the plantation in question was never handed over to the Military Department as a part of the Rifle Range grounds; but, as before stated, was constituted a "State Forest" in 1896 under the Government Notification already referred to.

Enclosure to No. 3.

Letter No. 3758, dated 18th November 1905, from the Conservator of Forests in Mysore to the Chief Engineer of Mysore.

In reply to your letter No. 7104, dated the 1st instant and enquiring whether I am aware of the British Military Authorities having harvested grass from the Hebbal Butts plantation, I have the honor to state that not only grass crops, but all other produce of this plantation have been in the undisputed possession of the Forest Department till last year (1904-05) when the Military Authorities for the first time lodged their claim to the area. The grass crops have always been leased by the Forest Department; and I am not aware of the Military Authorities ever having harvested them. The Forest Department has also always maintained an establishment for its watch and ward, since it was created.
